

WHEELS
DID YOU SAY?
MANY PEOPLE have
kind or another, and there are many of one
kinds of wheels, including those in the
head—wheels good, bad and indifferent.

BUT There are some wheels so much better than
other wheels that they really belong in a class
apart. They are a class all by themselves.
They are good wheels—the best

GRANCER has them—nobody else in Lincoln
has. If you are thinking of pur-
chasing anything in the bicycle
line you cannot afford to neglect calling on him.

\$100 DOLLARS REWARD \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting adirectly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.
