

WHEELS

DID YOU SAY?

MANY PEOPLE

have wheels of one kind or another, and there are many kinds of wheels, including those in the head—wheels good, bad and indifferent.

BUT There are some wheels so much better than other wheels that they really belong in a class apart. They are a class all by themselves. They are good wheels—the best

GRANGER has them—nobody else in Lincoln has. If you are thinking of purchasing anything in the bicycle line you cannot afford to neglect calling on him.

Nothing in This World

is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like **THE CHICAGO RECORD**. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read **THE CHICAGO RECORD** and do a day's work too. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the West—140,000 to 150,000 a day.

Prof. T. J. Hatfield of the Northwestern University says: "**THE CHICAGO RECORD** comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."

Sold by newsdealers everywhere and subscriptions received by all postmasters. Address **THE CHICAGO RECORD, 181 Madison-st.**

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.

Address, **F. J. CHENEY & Co., Toledo, Ohio.** Sold by druggists, 75 cents.
