A Car Load of New Sideboards

These are the newest and most elegant line of sideboards shown in the city and are offered at prices that are sure to sell them at once. Nothing of the style and make of these has ever been seen here before. No one can afford to miss this opportunity of buying such goods at the low prices we offer them.

It is much easier to duplicate our ads than our goods.

Sideboards that we sell for \$35 are superior to any sideboards every shown in the city for \$60.
