The precedent of Mrs. Sloan's divorce and immediate remarriage was followed on last Monday by Dr. R. E. Giffen of this city who was married to Miss Helena Lau in Council Bluffs, Iowa, as soon as the telegram of his divorce from his former wife reached him. It is customary to record the marriages of the inhabitants of this little city in these columns and it is usually a pleasant chere, but in this case it is both painful and awkward. Marriage is a sacrament or it is nothing and if it is to be dissolved in the morning and the culpable party allowed to marry in the afternoon again, the lines which are drawn in society to protect it from degeneration and disintegration are as gossamer and may be brushed aside with as little effort.

Cards have been received in the city announcing the approaching marriage of Miss Vivie Crandall to Henry B. Hicks. Mr. Hicks is a son of Professor Hicks, so long connected with the university. He is a graduate of the university. He pursued his law studies here for some time and soon after the completion of his course removed to Chicago where he has been unusually successful.
