

Herpolsheimer & Co.

Holiday Merchandising Such as it always is at this store requires plenty of room, lots of space, and just now we can't give it as much as we would like. Mild weather postponed the selling of winter goods to the last minute and the arrival of holiday wares crowded us to the utmost. The Christmas goods must have more room hence the sacrifice of winter needs.

IN THE DRESS GOODS DEPARTMENT

New styles and colorings in bright plaids, this week, per yard.....14c
 An immense line of plain and novelty dress goods in popular color combinations, splendid value, per yard.....25c
