This is an advertisement; read it if
you are interested in a better set of
teeth than the ordinary rubber plate.

Are you pleased with the appearance
of pink rubber gum? Do you feel satis-
fied with the gum section teeth where
the joints show? Continuous gum work
or an all porcelain plate overcomes this
unnatural appearance of the gum. The
porcelain plate is the best made for the
following reasons: It can be made to
look natural even if the gum shows; the
entire plate is one piece of porcelain; is
clean and agreeable to the mouth, and
is equal in strength to any plate made.

Porcelain for artificial teeth is fused
at a high temperature. Dr. Sherwin
makes all porcelain work with an elec-
tric furnace which insures the best
quality of work.

THE WAY TO GO TO CALIFORNIA
is in a tourist sleeper, personally con-
ducted, via the Burlington Route. You
don't change cars. You make fast
time. You see the finest scenery on
the globe.

Your car is not so expensively fur-
nished as a palace sleeper, but it is just
as clean, just as comfortable, just as
good to ride in—and nearly \$20,000
cheaper. It has wide vestibules,
Pintech gas high back seats; a uniform-
ed Pullman porter; clean bedding;
spacious toilet rooms; tables and a
heating range. Being strongly and
heavily built, it rides smoothly; is warm
in winter and cool in summer.

In charge of each excursion party is
an experienced excursion conductor
who accompanies it right through to
Los Angeles.

Cars leave Omaha, St. Joseph, Lincoln
and Hastings every Thursday, arriving
San Francisco following Sunday, Los
Angeles Monday. Only three days
from the Missouri River to the Pacific
coast, including a stop-over of 1½ hours
at Denver and 2½ hours at Salt Lake
City—two of the most interesting cities
on the continent.

For folder giving full information, call
at any Burlington Route ticket office, or

An English Joke.

Sergt. Merewether once got into a
carriage with Lord Campbell, who was
then chancellor of Great Britain and
keeper of the great seal, and tried to
enter into conversation. Lord Camp-
bell, however, was as uncivil as pos-
sible, saying at last: "Why, Mere-
wether, you get worse and worse.
You're as fat as a porpoise." "Fit
company, my lord," was the reply, "for
the great seal."

Value of a Spanish Peseta.

A Spanish peseta is now equivalent
to about 15 cents in gold.

Lake Turns Red.

Lake Morat, in Switserland, has the
curious property of turning red every
ten years, owing to the presence of
certain aquatic plants, which are not
known in any other lake in the world.

Typhoid Preventable.

Medical men now regard typhoid fe-
ver as a disease so preventable that, as
one of them declares, "for every case
of typhoid fever somebody ought to be
hanged."

Average Human Illness.

The average amount of illness in
human life is nine days out of the year.

Leave Chicago every Thursday via
Colorado and Scenic Route to San
Francisco and Los Angeles.
