possessions Cuba and Alaska. We have for our possessions lands of various climates. We have for our foreign possessions the U. S. flag which proudly floats over the seas of the angry deep. We have for our foreign possessions that hope which is causing us to strive to become as better again as we now are, and we are continually spreading out over the wide world. **ON OUR SOUTHERN HEROES.**

"General Lee was a man, he was a hero, he was grim, he was watchful. He was one of the best generals the south ever had. Joe Wheeler, did I say Joe, I should have said General Joe Wheeler, the Brave little fellow, and I can say and am proud to say that I have worked for his intrust in the 7 No. of Alabama and I am proud that I can say that He, Joe climbed the tree that stood on Cuban soil. and I am proud that he is a Alabamian. But remember Hobson who flip between between the walls of Cuban prison, and have one sentiment for all the General of the South, both living and dead, that is cheers for the living and tears for the Dead."

These suggestions we recommend to your thoughtful consideration, and would urge you as clubs and as individuals to further in every way possible for a woman the election of such representatives to the next legislature as will best promote our educational interests. Respectfully submitted,

Mrs. W. F. JOHNSTON,  
Chairman pro tem.
