## CLUBS.

OFFICERS OF N. F. W. C., 1899 & 1900.

Pres., Mrs. Anna L. Apperson, Tecumseh.  
V. P., Mrs. Ida W. Blair, Wayne.  
Cor. Sec., Mrs. Virginia D. Arnup, Tecumseh.  
Rec. Sec., Miss Mary Hill, York.  
Treas., Mrs. H. F. Doane, Crete.  
Librarian, Mrs. G. M. Lambertson, Lincoln.  
Auditor, Mrs. E. J. Hainer, Aurora.

On Saturday, June 23, the Zetetic club of Weeping Water met with Mrs. Gates. Mrs. Woodford spoke of "Opportunity" and admonished us to make and not wait for opportunities. Mrs. Girardet spoke of the home, companions and literature as three important influences in the formation of character. Mrs. Geer suggested some papers and magazines that are most helpful to all members of the family. Mrs. Ashmun delivered a little sermon on the needs of the young and the desirability of laws which will keep them in school nine months in the year, and suggested occupations for the long vacations, thus leaving no idle hands for Satan to employ. Mrs. Gates briefly reviewed "The Grandissimes." Mrs. Hay's compari-

son of men and women as story writers was followed by an interesting discussion, and the club adjourned, rejoicing over the literary treat of the afternoon.

The Friends in Council club of Tecumseh has issued the year book for the season of 1900 and 1901. It is a neat and comprehensive little book in pink and white, the club colors. The officers for next year are: President, Mrs. Elizabeth Chamberlain; vice president, Mrs. Shaw; secretary, Mrs. Stewart; corresponding secretary, Mrs. Tracy; treasurer, Mrs. Seaver. Program committee, Mesdames Edith Chamberlain, Lora Howorth and Clara Fitzsimmons. Music committee, Mesdames Willa Shaw and Helen Seaver.

The object of the club is to consider the conduct of life in all its relations to women, endeavoring to answer the question, "How to Live." Membership is unlimited. The dues are ten cents a month collected quarterly. This last clause suggests the onerous duties of the secretary who must collect from each member 30 cents four times a year. Too many clubs disregard and make heavier than necessary the burden of the treasurer. I have seen the books of too many club treasures minutely, painstakingly, accurately kept but recording the dates of the reception of

## HOME MERCHANTS' PREMIUM TICKET.

We will guarantee that none of the thousands of ladies who have thus far gotten our premiums will accept any other form of premiums without a protest.

They are worth more to you in a cash value for premiums than any other system of premiums. You are losing money if you do not ask for them and insist upon getting the most for your money. The merchants issue them to stimulate trade and induce cash purchases.

WHAT ARE THEY? They are orders on the Funke & Ogdan Crockery Company and good for their face value for premiums in any article of merchandise we carry. We hereby guarantee you better values than any other system, or we will forfeit all claim to be worthy of your confidence as merchants. Heretofore in all our advertising we have explained the system of the Home Merchants' Premium Tickets, and confined ourselves to their merits without reference to any other system. The only proper up-to-date manner of giving premiums for both the merchant and the customer is our method.

Our variety is a hundred times greater. Our values are based in dollars and cents. You can get a three cent premium. You can get a three dollar premium. You can get a premium for any amount. You don't have to wait to get any amount.

The premium business with us adds no expense to our regular business expense, hence the holder of the Home Merchants' Premium Tickets gets the benefit.

The following business concerns are now giving them and this list is increasing daily, and if you notice our list you will observe that you don't find one merchant's name more than once unless in different locations.
