A LAVISH MILLINERY DISPLAY.

Our stock this season is simply superb. We are showing Hats designed by such famous Parisian milliners as Carlier, Heitz-Boyer, Soeurs, Leontine and Virot. We are also showing such perfect copies of the real French Hats that it takes an expert milliner to tell the difference—in fact, the only difference is in the price, which is just about half. While we carry an enormous stock of the fine Hats from \$10.00 to \$25.00, and have built a suite of rooms for those wishing to try them privately, we also show

Hundreds of Beautiful Hats

at **\$1.50, \$2.50, \$3.50, \$5.00, \$6.00 and \$8.00**

and they are by far the best values ever offered in Lincoln at the price. Come and see them and you'll agree.

HATS OR BONNETS RETRIMMED OR MADE TO ORDER.

We have a corps of expert trimmers and makers in our work room, who will retrim your old or make you a new Hat or Bonnet just right and at very reasonable rates. How many, many ladies are not just suited with their Millinery. Come and try ours and ninety-nine times out of a hundred you will be pleased and come again.
