

High-School Girls' Athletic Exhibit.

The members of the girls' gymnasium classes of the High school entertained their parents and friends with a short but very interesting exhibition on Thursday afternoon, May the sixteenth. The exhibition was given not as an entertainment to win applause but to show the patrons of the High school and the board of education what a gymnasium, when properly conducted, will do for the girls and also to show their appreciation of what the board has done for them this year. The girls have worked hard and faithfully to make the gymnasium a credit to the High school, and the visitors admitted their success. A drill, in military marching, by the three o'clock class, followed by a wand-drill defined their growth in precision. A series of swings with the Indian clubs by the two-thirty class was excellent. The three o'clock class played the two-thirty class in games of bean-bag and pass-ball, the three o'clock class winning. The enthusiasm with which the girls play these games is seldom greater in a basket ball or even a foot ball match game with outsiders. The two-thirty class then gave a very pretty dumb-bell drill. All took part in the Swedish work. The program ended with a short game of basket ball between the team chosen from the classes and a team chosen from the two regular teams. Of course the basket-ball girls won the game 18 to 6. In spite of the fact that no extra time was given for practice the girls carried out their program without a blunder, is praiseworthy. To the gymnasium credit is due for the reports that have come from the girls who have heretofore been obliged to stop school in the spring on account of poor health, but since taking gymnasium work, they have been able to carry more studies, and keep up their work until the end of the school year. It is sincerely hoped that next September something better in the way of a gymnasium may be offered to the girls and boys of the High school. Miss Spurck, the gymnasium director, is particularly successful in corrective work and the agile, healthy beauty of the High school girls is partly due to her intelligent direction of their exercises.

THEATRICALS.

THE OLIVER.

It would be no exaggeration on the part of Manager Daniel Frohman to announce Mr. E. H. Sothern's production of "Hamlet" a signal triumph, both in his interpretation of the role of Shakspeare's most interesting character and in the production. At every performance the enthusiasm has been repeated. It is the opinion of critics that the mantle of Edwin Booth has rightfully fallen on Mr. Sothern's shoulders, although his reading vastly differs from that genius. It is generally acknowledged that Mr. Sothern has given a new Hamlet to the stage. This is evidenced by the crowds of theatregoers who witness the performance each night, and the shouts of approval give the impression that it is an "Irving night" at the London Lyceum Theatre. The entire presentation measured from all standpoints is one of splendor and artistic excellence. This will be the closing performance of the season at the Oliver Theatre. The date is Friday night, May 31st. Seats on sale Wednesday, May 29th.

"Well, Jimmy, did you have a good time at the party?"
 "You bet I did, pop. Why, there wasn't a girl there I didn't make cry!"—Harper's Bazar.
