

THE LATEST LIKENESSES OF MRS. ROOSEVELT

MRS. THEODORE ROOSEVELT
COPYRIGHT 1901 BY SCHLOSS

The above photographs of Mrs. Roosevelt show the mistress of the White House exactly as she appears today. All other half-tones being published are made from portraits set for when the first lady of the land was mistress of the executive mansion at Albany, New York. These negatives have only just been made. Proofs have been submitted to the president and his wife and declared by them to be the most faithful likeness possible.
