

THE COURIER

VOL. XVIII, NO. XXXV

LINCOLN, NEBRASKA, SATURDAY, SEPTEMBER 6, 1902.

ESTABLISHED IN 1886

A TROPICAL SCENE TRANSPLANTED

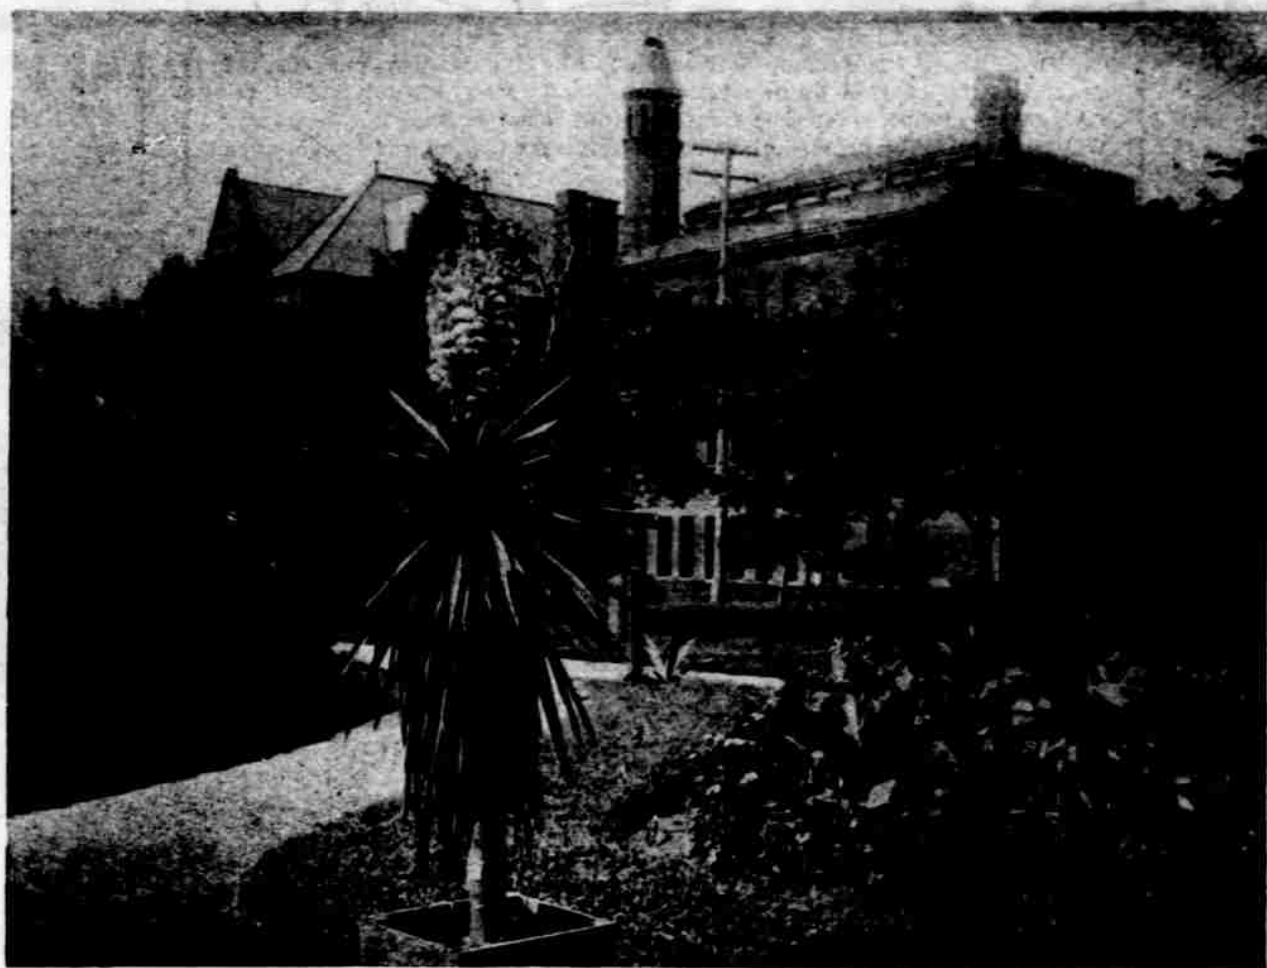

Photo by Clements.

The above camera view was snapped on the campus of the university of Nebraska. It shows the library building, behind a screen of trees and verdure, almost making it a scene of tropical beauty. This view was taken during the late summer.
