

HOW CAN I GET WELL?

The cry of millions is now answered—if you suffer from kidney trouble, bladder trouble or rheumatism, write me at once and I will give you the answer to this question—I will not charge you anything for it—I will also send you my large illustrated 68-page book, entitled "How Can I Get Well?" as well as a FREE DOUBLE TREATMENT for your cure, all without one cent of expense to you.

In order that all men and women who have given up hope of ever being well again may know that now a genuine, guaranteed home cure for uric acid germ diseases is really in my possession. I stand prepared to prove it to you by offering to send a free double treatment of the new cure to any reader of this paper or their friends who may be afflicted with this disease in the form of too frequent desire to urinate, weak back, prostatic trouble, Bright's disease, dropsy, diabetes, stone in the bladder, gravel, wetting the bed, swelling of the feet and ankles, sciatica, lumbago gout and other forms of the worst kind of rheumatism, kidney trouble and bladder disease.

I do not claim to cure all diseases, but I do cure the diseases I claim to cure. To prove this ask Mr. James H. McClung of Berthoud, Colo., whom I cured of Bright's disease; Mrs. Mary Furstenberg of Boody, Ill., whom I cured of diabetes; Mr. A. P. Yochum of Pittsburg, Pa., whom I cured of rheumatic gout; Mrs. Phebe J. Brown of Kalispell, Mont., whom I cured of dropsy and thousands of others whom I have just as successfully treated with this new double non-alcoholic home treatment for each of the diseases and symptoms mentioned in the first paragraph.

All I want to know is that you have one of these diseases; then you write me what disease you have, and give me your name and address, and I will do the rest to cure you. Send no money, no stamps; I will not send anything C. O. D., nor send any bills. But I will send you free, without anything to pay:

This has cured legions. Will it cure you? Write the doctor and see.

My double treatment, free of charge, for your own disease—(the genuine, original and improved cure-treatment;) and

My free 68-page illustrated book telling the truth about these diseases, giving different home methods, how to analyze your urine, etc., etc. And in your letter you can ask me as many medical questions as you want and I will answer them fully and freely.

To those who earnestly want to be cured this is a heaven-sent free opportunity. Will you take advantage of it? Yes! Then write me today in care of my firm simply as follows, and all that I promise you will be sent you at once and entirely free.

An Associated Press dispatch under date of Washington, September 7, follows: "The pension roll reached the maximum number in its history on January 21 last, the number being 1,004,196. The roll passed the 1,000,000 mark in September of last year and gradually increased for the next four months. The decline began with the first of last February and by the following May had dropped below the 1,000,000 mark. These facts are developed in a synopsis of the annual report of Pension Commissioner Warner covering the operations of his office for the fiscal year ending June 30 last. At the end of the year the number of pensioners had declined to 998,441, a net increase for the year of 3,439. The report shows the following additional facts: During the year the bureau issued 185,242 pension certificates, of which over 50,000 were originals. The annual value of the pension roll on June 30, 1905, was \$136,745,295. By the term "annual value" is meant the amount of money required to pay the pensioners then on the roll for one year. During the year, 43,833 pensioners were dropped from the roll by reason of death, and of these 30,254 were survivors of the Civil war. On June 30, 1905, the roll contained the names of 684,608 survivors of the Civil war, a decrease of over 6,000 from the previous year. The total amount disbursed for pensions for the fiscal year is \$141,682,841, of which \$4,197,167 was for navy pensions and \$3,409,980 was paid to

pensioners of the Spanish-American war and \$133,022,170 to the survivors of the Civil war, their widows and dependents. The total amount paid to Spanish war pensioners since 1899 is \$11,996,198. The total amount of money paid for pensions since the foundation of the government is \$3,320,860,022, and of this amount \$3,144,395,405 has been paid on account of the Civil war. The total number of claims allowed, original and increase, under order No. 78, known as the 'age order' since that order went into effect April 13, 1904, up to June 30, 1905, was 65,612."

Startling developments are growing out of the legislative investigation of the insurance affairs in New York. Among other things, the fact is brought out that it is not an unusual thing for clerks and messengers in the employ of the New York Life Insurance company with salaries as low as \$500 a year to sign notes for millions of dollars to be used by the company in relieving its books in undesirable securities. THE PEACE TREATY

The Russian-Japanese peace treaty was signed at Portsmouth, N. H., September 5.

As soon as the signatures of the envoys had been affixed there was a great booming of cannon. The Chicago Record-Herald's correspondent says: "It remained for Baron Rosen to give one touch of human interest which relieved the strained formality of the occasion. As he reached across the table to accept the extended hand of Baron Komura, with whom he was on intimate terms while Russian minister at Tokio, he said: 'I shake the hand of an old friend and now a new friend.' Baron Komura did not reply in words, but he smiled with extraordinary Japanese gentility, and bowed low."

The peace treaty opens with a preamble reciting that His Majesty the Emperor and Autocrat of all the Russias, and His Majesty the Emperor of Japan, desiring to close the war between them, and, having appointed their respective plenipotentiaries and furnished them with full powers, which were found to be in due form, have come to an agreement on a treaty of peace, the details of which are as follows:

ARTICLE I

ARTICLE III

Evacuation of Manchuria

It is mutually agreed that the territory of Manchuria be simultaneously evacuated by both Russian and Japanese troops, both countries being concerned in this evacuation, their situations being absolutely identical. All rights acquired by private persons and companies shall remain intact.

ARTICLE IV

Surrenders Leased Rights

The rights possessed by Russia in conformity with the lease of Port Arthur and Dalny, together with the lands and waters adjacent, shall pass
