

# A HEALING MINERAL SPRING AT YOUR DOOR

### You Can Drink

three times a day from a spring more powerful than any known in Europe and America if you want to; you can drink glass after glass of healing, purifying, cleansing, curing, strengthening tonic waters; stronger, more powerful, more efficient than any the rich and great can get from the live flowing springs and wells at Bath, Baden, Carlsbad, Saratoga, Mt. Clemons, French Lick, Hot Springs, White Sulphur Springs, or any of the well-known places where the rich get health and strength, and you need not step outside of your door to do it, need not call a doctor to prescribe it, need not put up a penny to get it.

### If You Are Sick

and ailing, weak, debilitated, worn-out, feeble, if the organs of your body are not working rightly, in proper harmony, if your mind is not strong and clear because of bodily ill health, if your food does not feed you, if your sleep does not rest you, if your blood does not strengthen and sustain you, you can have the advantage of a mineral spring condensed and concentrated, every glass of which is equal to 53 glasses of the waters of the most powerful healing mineral spring of which man knows, every glassful of which will help set you right, make you hearty and whole, and you can have it brought, ready to your hand and lips, right to your chamber door.

### Vitæ-Ore is All This

and will do all this. It is an Ore, a mineral, from a mine of medicine-bearing rock, that has been ground up and pulverized into a fine powder. You have only to mix the Ore with water (nothing else) to make the water that is all this, that will do all this, that will do it as surely as the sun rises every morning in the eastern sky and sets in the western. It is from the earth's veins, and was put there for the good of your veins, to give to your body those elements which in ill health are lacking, to make rich, red blood, to make health, strength, life and energy—what God intended that every man and woman should have.

### You can have a Package

of this Ore for the asking. It will not cost you one penny if it does not help you. If it does help you, you will then owe us One Dollar. If it does not help you, you will owe us nothing. You have but to ask for it, to say that you have never before used it, that you want and need it, and a package will be sent to you, enough to make 120 glasses of this all-powerful, all-pervading, all-reaching, all-curing, all-healing water. You are to judge it; you are to decide whether or not it has helped you, whether or not you should pay for it. You alone are to be the judge. Read our special offer.

## Doctors Said: "YOU CANNOT BE CURED"

ONE PACKAGE OF VITAE-ORE PUTS  
HIM ON HIS FEET AGAIN AND  
BACK TO WORK

Vitæ-Ore saved my life, in curing me of Bright's Disease, which had baffled the doctors' skill. One doctor said: "You have Bright's Disease bad, and VERY BAD, too bad to hope for a cure." Another said: "I might give you medicine until doomsday and yet I could not cure you."

I concluded at this time that as long as their medicine could not cure me I want-

## WE WILL SEND TO ALL

Readers of this paper a full-sized \$1.00 package of VITAE-ORE by mail, postpaid, sufficient for one month's treatment, to be paid for within thirty days' time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. If it does not benefit you, you pay us nothing. We ask no references, we want no security; just your promise to use it and pay if it helps you. Just say that you need it, that you want it and it will be sent to you, as it has been sent to hundreds of other readers of this paper. We want you to have it, and gladly send it, taking your word for the results obtained. There is nothing to pay, neither now nor later, if it does not help you. We give you thirty days' time to try the medicine, thirty days to see the results before you pay us one cent, and you do not pay the one cent unless you do see the results. YOU ARE TO BE THE JUDGE! We know Vitæ-Ore and are willing to take the risk. We have done so in thousands of cases and are not sorry. Your case, no matter how hard or obstinate it may be, will be no exception.

Vitæ-Ore is a natural, hard, adamant, rock-like substance—mineral—ORE—mined from the ground like gold and silver in the neighborhood of a once powerful, but not extinct mineral spring. It requires years for oxidation by exposure to the air, when it slacks down like lime and is then of medicinal value. It contains free iron, free sulphur and free magnesium, three properties which are most essential for the retention of health in the human system, and one package (one ounce) of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water found on the globe, drank fresh at the springs. The mineral properties which give to the waters of the world's noted healing and mineral springs their curative virtue come from the rock or MINERAL ORE through which the water is filtered on its way to its outlet, only a very small proportion of the medicinal power in the ORE being thus assimilated with or absorbed by the liquid stream. The rock contains the much desired medicine, the water serves as the conveyance to carry but a small part of its properties to the outer world. Vitæ-Ore is a discovery of this medicine-bearing rock, a geological discovery, to which nothing is added and from which nothing is taken. It is the marvel of the century for curing disease, as thousands testify, and as no one will deny after using VITAE-ORE has cured more chronic, obstinate, pronounced incurable cases than any other known medicine and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescription which it is possible to procure. If yours is such a case, do not doubt, do not fear, do not hesitate, but SEND FOR IT TODAY!

## How Vitæ-Ore Cures Rheumatism

Rheumatism is a deep-seated, dangerous disease, caused by the absorption into the blood of effete refuse matter, which should be carried out of the system through the proper channels. The poison soon destroys the purity of the blood and as it circulates through the body the acid particles that are thrown off penetrate the nerves, muscles, membranes and even the bones.

In Acute Articular Rheumatism, the affection usually commences suddenly; sometimes pain or soreness in the joints precedes the disclosure of the disease. The joints become swollen, particularly those of the knee, ankle, wrist, elbow and the smaller joints of the hands and feet. Acute rheumatism is always identified with more or less feverish condition and profuse perspiration, especially at night, same being strongly acid, showing the system is attempting to throw off the poisonous particles. Chronic Rheumatism is the same as the acute form, but milder and less extended; though strange to say, more persistent and difficult to cure.

Muscular Rheumatism also exists under two forms, acute and chronic, the latter as in Articular Rheumatism, not so violent in attack but pitiless in its hold on the system. In the acute form, there is first a dull pain in the muscles, which gradually increases, growing almost unbearably violent in movements which require the contraction of the muscles. In the chronic form, pain is excited only when the affected muscles are contracted with unusual force, and is more apt to change its location than in the acute form.

With the blood in an unhealthy condition, exposure to cold, combined with moisture, the night air, sudden changes in the weather, sleeping between damp sheets, sitting in a cold, damp room, especially when heated from exercise, or an acute attack of indigestion is sufficient to bring on an attack of Rheumatism, in those who have never before experienced this difficulty, and cause violent attacks in those who are subject to it.

Vitæ-Ore cures Rheumatism, even in chronic, diagnosed as incurable cases. Alkalies and the remedies that are almost invariably prescribed, fail to cure because they weaken the digestion, irritating the delicate lining of the stomach, thus impairing instead of building up the system. Vitæ-Ore, being a powerful blood purifier, soon brings about a complete and radical change in the circulation. It is absorbed into the blood, neutralizing the acid secretions, rendering them harmless for evil, and gradually eliminates them from the system. Under its use the thin acid blood is made pure and rich and as it is carried through the muscles, dissolves the hard, calcareous matter that has collected in the joints, and it passes out of the system. Cures with Vitæ-Ore are permanent and lasting. In severe cases crutches are often thrown away, never to be used again. It leaves the blood in perfect working order, its occasional use keeps it so and the cure is sure and certain.

ed no more of it and resigned myself to what looked to me to be the inevitable. My hopes of a possible cure were again raised by reading a Vitæ-Ore advertisement and seeing mentioned therein the testimony of a person who had been cured of Bright's Disease and whose condition at the time of his treatment seemed similar to mine. I procured a package and began its use. The first package put me right on my feet and back to my work. I kept it up, with the result that I am entirely cured. Doctors who have lately examined me say: "You have no kidney trouble whatever. Your kidneys are all right."

Vitæ-Ore has done all this for me. I am well and working at 65 years and owe it to this remedy and the world to tell what I know of it. I send two photos, an old one taken when I thought I was going to die, and another just taken a short time ago. They tell their own story.
