You Are to Be the Judge!

In making the claim a quar-Permanent Cures ter of a cen'ury ago that Vitae-Ore is the best thing in,

on or out of the earth for sick, alling or suffering people, we made it unreservedly and unqualifiedly, without any stipulation or "saving clause," knowing from our experience and from the experience of a few who had already used it at that early date, that its virtues and curative properties would fully substantiate this claim: that it was the best, not only because it gave relief from pain and the effects of disease, but that it Cured the disease, and cured it effectually and permanently, hence the reason for the lines we have so often used in our advertisements and literature: "Get cured and stay cured," and "Not only immediate relief, but a permanent cure." Too many preparations are put on the market and advertised to give relief, too few to cure.

The test of a medicine is not so much in the experience and immediate testimony from the use of one package or bottle, but in the experience of people written months after they have used that one package or bottle, and who testify that it cured them at that time, and that they have never had a recurrence of the malady. How many of the testimonials you see published in the papers of the land are such testimonials, how many who testify that they were and are permanently cured? Vitae-Ore has thousands upon thousands of such experiences to its credit. It has been before the public for a quarter of a century. It cured numerous people right after its first introduction, and 'hey have remained cured and are cured today. It is curing people by the thousands today of all manner of diseases, who will still be cured at a date a quarter of a century hence. We have repeatedly received letters from people who wrote us test imonial letters years ago, now saying that they have had absolutely no return of the trouble or troubles

Vitae-Ore strikes the disease at its root, entirely eradicates every vestige or trace and the patient is cured to stay cured. Its cures are permanent, and for his reason it itself is a permanent remedy, one that has come to stay, that will grow in popula

passed the experiental stage, it is time for you and them to quit experimenting. TAKE YOUR STOMACH OUT OF THEIR HANDS!

Vitae-Ore, nature's remedy, ISNOT AN EXPERIMENT! It is not being tried out to see if it is good; your body in using it, your stomach in taking it, is not being used for experimental purposes. It is known, established, demonstrated and proven beyond the shadow of all doubt, beyond any possible denying. A quarter of a century of successful existence, hundreds of thousands of cured patients, cured soundly and effectually, permanently and positively, of all manner and kind of diseases, substantiates it. You will know plainly whe'her you ARE BETTER, are well or no better. You cannot be worse! It cannot harm you. If better, if benefited, if cured, you pay for it. If nel'her you don't ter, if benefited, if cured, you pay for it. If neither you don't pay for it. It is a test, but NOT AN EXPERIMENT. The results are too sure, too certain, have been evidenced in too many cases, to make it experimental.

FROM THE EARTH'S VEINS TO YOUR VEINS

What Vltae-Ore is: Vitae-Ore is a natural, hard stance—mineral—Ore—mined from the ground like gold and silver in the neighborhood of a once powerful, but now extinct mineral spring. It requires twenty years for oxidization by exposure to the air, when it slacks down like lime, and is then of medicinal value. It contains free iron, free sulphur, and free magnesium, three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water drank fresh from the springs. It is a geological discovery, in which there is no hing added or taken from. It is the marvel of the century for curing such diseases as

Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy. Catarrh and Throat Affections, Liver, Kidney and

Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration, General Debility,

as thousands testify, and as no one, answering this, writing for a package will deny after using. VITAE-ORE has cured more chronic, obstinate pronounced incurable cases, than more chronic, obstinate pronounced incurable cases, than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescriptions

cine, combination of medicines, or doctor's prescriptions which it is possible to procure.

STOMACH TROUBLE

COULD NOT DO AN HOUR'S WORK FOR THREE MONTHS

For over two years I suffered untold misery with my stomach; I was unable to eat anything without it distressing me, in fact could get scarcely enough nourishment to keep me alive. I did not do an hour's work

for over three months. I tried two different doctors, but got no relief from either, and was then urged to try Vitæ-Ore, try Vitæ-Ore, and sent for a trial treatment. Before I had taken half of the package I could eat anything and was anle to go to work before the trial package was enrirely exhausted. After taking three packages I

and complete. I gained in weight from 136 to 162 pounds in that time. We have never since been without Vitae-Ore in the house and find it invaluable not only for Stomach Trouble, but also for Sore Throat, Colds, Catarrh, Rheumatism, and Neuralgia: as a blood maker and purifier it has no equal.

It also performed a like wonder in the case of my sister-in-law, who lives with us. She was all run down, had no color in her face, could not eat or sleep and was so weak that she could hardly get about the house. She had catarrh and rheumatism and what little blood she had seemed nothing much little blood she had seemed nothing much but water. She would not take Vitae-Ore at first, saying it would not do her any good, but decided to try it in the end, after taking doctors' medicines for three months. She began to improve at once and after using three packages, found her weight had increased 15 pounds. She never in her life looked or felt better than she does now. She working again regularly sleeps well and is working again regularly, sleeps well and eats anything put on the table. My wife and I are sure that Vitae-Ore saved her life, as it made mine worth living.
