

"COMMONER DAY" WAS A GREAT SUCCESS

"Commoner Day," February 24, was a great success. Subscriptions began pouring into The Commoner office Monday, and continued for several days as a result of the organized effort. It is not possible to print in this issue the names of all who assisted to make "Commoner Day" a success but these names will be printed as rapidly as space will permit.

F. T. Swanson and F. A. Thompson, Clay Center, Neb., write: "Believing in the principles advocated by The Commoner and desiring to widen its influence through an increased circulation, we enclose a list of sixty-six new subscribers and five renewals. May this day's work, 'Commoner Day,' increase its circulation 100,000. Chicago exchange enclosed herewith for \$46.60 in payment of above."

It is proper to state that some of the lists printed in this issue were sent in by those who took advantage of the special offer, otherwise known as the "lots of five" plan and were not taken on "Commoner Day."

The following named subscribers have each sent in five yearly subscriptions as a result of work on "Commoner Day:" R. Christensen, Oviedo, Fla.; A. R. Wright, Menville, Ia.; Fred B.
