NO MODEL FOR HIM

Dr. Stephen H. Roblin, pastor of the Columbia Avenue Universalist church, Boston, was calling on an old lady, one of his parishioners, before going away on his summer vacation, when his church is always closed. The old lady, evidently does not believe in ministerial vacations, for she said:

"Doctor, remember Satan never takes a vacation."

"My dear madam," answered the doctor, "I never did believe in imitating Satan."—Boston Herald.

Can't Do It

Heart affections will not get well of themselves; neither do they remain inactive. If the cause is not removed, they continue to grow in number and severity.

They are the outgrowth of exhausted nerve force, and the heart cannot stop to rest, as do the other organs, but must continue to struggle until completely disabled, and—that's the end.

On the very first indication of heart trouble, you can stop all progress and effect a cure by the use of

Dr. Miles' Heart Cure

the most effective heart remedy known. It builds up, feeds and strengthens the nerves and muscles of the heart, and restores it to perfect health.

"I had serious heart trouble, for two months my life seemed to hang by a thread, when my attention was called to Dr. Miles' Heart Cure. I commenced taking the Heart Cure and Nerve, and in two months they restored me to comparative good health."
