Everyone who approves the work The Commoner is doing is invited to co-operate along the lines of the special subscription offer. According to the terms of this offer cards each good for one year's subscription to The Commoner will be furnished in lots of five at the rate of \$3 per lot. This places the yearly subscription rate at 60 cents.

Any one ordering these cards may sell them for \$1 each, thus earning a commission of \$2 on each lot sold, or he may sell them at the cost price and find compensation in the fact that he has contributed to the educational campaign.

These cards may be paid for when ordered, or they may be ordered and remittance made after they have been sold. A coupon is printed below for the convenience of those who desire to partici-pate in this effort to increase The Commoner's circulation:
