

“‘Shall the people rule’ is the overshadowing issue which manifests itself in all the questions now under discussion.” — (From the Democratic National Platform, adopted at Denver.)

WANTED — CAMPAIGN CONTRIBUTIONS — WANTED

From citizens of the Republic who favor these democratic propositions:

Tariff revision by representatives of the consumers of the products and not by the agents of those who make exorbitant profits by manufacture and sale of highly protected products.

Election of United States Senators by popular vote, thus breaking up the senatorial oligarchy headed by Standard Oil which is strong enough to successfully resist all measures offered in behalf of the public welfare.

Guarantee of all national bank deposits, thereby preventing all money panics by giving all people absolute confidence in all banks.

Destruction of private monopoly and the enforcement of law against trusts by the people who are oppressed by the trusts and not by the agents of the trusts.

Publicity of campaign contributions before election day so that the people may know who is paying the expenses of candidates, and why paying.

Adoption of an income tax because it is just and under it wealth may bear its proportionate share of the burdens of the Federal government.

The punishment of men who manipulate railroad stocks and ownership; the encouragement of railroad construction upon business-like basis; and railroad operation with fair returns in wages and profits to workers and owners on honest valuation and honest labor — but not on watered stocks and false bond issues created purely by exploitation.

Publicity Before Election.

“Resolved, That the Democratic National Committee, in pursuance to the pledge given in the national platform recently adopted at Denver, announces that it will accept no contributions whatever from corporations; that it will accept no individual contributions above \$10,000, and that it will make publication before election of individual contributions above \$100, contributions received before October 15 being published on or before that date, and contributions received after that date being published upon the date which they are received, and that no contributions above \$100 shall be accepted within three days of the election.” — Statement adopted by the Democratic National Committee in session at Fairview, July 14.
