It tells you about the terrible, crushing ways of the coal trust. It tells you how **you** have been compelled to pay much more than you should pay for inferior coal. It tells you **why** coal prices have been going up—up—up; why you have been robbed year after year—why you have been getting coal hardly fit to burn. Every man who burns coal should send for this great free book **and read it.** All along you have known that **something** was wrong. This book tells you just **what is wrong.** **SEND FOR IT TODAY.**

Save From \$1 to \$3 a Ton

We Mean Just What We Say.

Our coal is so much better than the stony, slaty, dusty coal you have been buying that there is no comparison, and while you save from \$1 to \$3 in actual money on every ton, you in reality save much more than this, for our coal lasts longer and gives more heat. **WE SAVE YOU MONEY** and give you better coal because we save you every penny that it costs to handle the coal. We ship your coal direct from the mine—in a bee line from the place where it is taken out of the earth to the spot where you live. There is no switching of cars, no handling, no shoveling into bins and out again and no laborers to pay. When you buy your coal from the trust you pay the mine profit; then you pay the jobber a profit; then you pay the dealer's laborers; then you pay the dealer a profit; then you pay the dealer's laborers, and finally you pay a large sum for a little pile of coal and a big pile of profit. That is the reason we can save you so much money. That is the reason why you should send for our free book, "Coal Facts," and learn all about this sensational plan of selling coal. This book tells you how easy it is to save \$20, \$40, \$60 and more every year on your coal. And while you are saving you get better coal than you ever burned before.
