MUHLBACH'S HISTORICAL ROMANCES

At Less Than Half Price to The Commoner Readers

THESE WONDERFUL HISTORICAL ROMANCES carry the reader into palace and hovel, camp and boudoir, and unveil the glance of coquetry that stayed the march of armies, or the vaulting ambition that changed the destiny of nations. You see and feel how love, hope, avarice, ambition, jealousy, and intrigue entered into the lives of men and women and changed the course of empires. Napoleon divorcing Empress Josephine, the only woman he ever loved, and marrying the daughter of the hated Austrians, that he might found a dynasty and bring to pass his dreams of universal empire, is only one of the many thousands of tragic events so full of passion and tears, of sacrifice and achievement. These romances form a theme such as never before employed an author's pen, and Muhlbach performed the task with a literary skill and loving fidelity that has never been surpassed. No fiction, no drama can compare with these wonderful romances, and you will find them not only fascinating and intensely interesting, but reliable and truthful as well.
