STATE OF TEXAS) Before me, S. J. Rowe, a notary public in and for said county and  
COUNTY HIDALGO) state, personally appeared Charles Volz, to me well known, and who,  
after being by me duly sworn, deposes and says that the above state-  
ment is a true and correct copy as taken from his books, showing the yield of an onion crop  
grown during the season of 1909-10 on 24 acres of his farm near Mission, Texas, and money  
received for said crop. Subscribed and sworn to before me this 19th day of May, A. D., 1910.  
S. J. ROWE, N. P.  
Hidalgo County, Texas.

From the above it will be noted that on the nineteen cars, or 7,395 crates, on which returns have been received, the net price per crate is about \$1.23. We still have some of this land left, capable of producing like results, for sale in Ten, Twenty and Forty Acre Tracts and up. WE PROVE IT AT MISSION.
