

# Smoke of Herbs Cures Catarrh

A Simple, Safe, Reliable Way and It Costs Nothing to Try.

This preparation of herbs, leaves, flowers and berries (containing no tobacco or habit-forming drugs) is either smoked in an ordinary clean pipe or smoking tube, and by drawing the medicated smoke into the mouth and inhaling into the lungs or sending it out through the nostrils in a perfectly natural way, the worst case of Catarrh can be eradicated.

It is not unpleasant to use, and at the same time it is entirely harmless, and can be used by man, woman or child.

Just as Catarrh is contracted by breathing cold or dust and germ-laden air, just so this balmy antiseptic smoking remedy goes to all the affected parts of the air passages of the head, nose, throat and lungs. It can readily be seen why the ordinary treatments, such as sprays, ointments, salves, liquid or tablet medicines fail—they do not and can not reach all the affected parts. If you have Catarrh of the nose, throat or lungs, choking, stopped-up feeling, colds, catarrhal headaches; if you are given to hawking and spitting, this simple yet scientific treatment should cure you.

An all-illustrated book which goes thoroughly into the whole question of the cause, cure and prevention of catarrh will, upon request, be sent you by Dr. J. W. Blosser, 144 Walton street, Atlanta, Ga.

He will, also, mail you five days' free treatment. You will at once see that it is a wonderful remedy, and as it only costs one dollar for the regular treatment, it is within the reach of everyone. It is not necessary to send any money—simply send your name and address and the booklet and free trial package will be mailed you immediately.

## "USURY"

A book worth while to read. It shows why property is now being more and more centralized. It is a clear, strong and convincing argument against interest or increase on any loan of any kind and proves this to be the immediate and irresistible cause of centralization. Interest or usury or increase is shown to be contrary to Scripture teachings, that it destroys the just equality of human rights and that it is now and ever has been subversive of the public good and hostile to popular government. You will not understand the pending financial questions and the present industrial conditions if you fail to read this book. The price is one dollar but that you may know the book before you buy, we will loan this book to any responsible reader for the postage, ten cents, the book or the price to be returned in thirty days. Few are returned. Address, J. C. ELLIOTT, 17 Fifth St., S. E. Washington, D. C.

## NEWS OF THE WEEK

(Continued from Page 10.)

who favor Roosevelt withdrew and their places were filled with the names of men who are for Taft. The Lincoln party, under which title the Taft men had put up a state ticket in case the Roosevelt electors finally refused to get off the republican ticket, withdrew its candidates.

Bourke Cochran and Senator Raynor debated the recall of judicial decisions at Baltimore. Cochran, who is supporting Roosevelt, defended the recall plan.

In the trial of the alleged dynamiters at Indianapolis, Edward Clarke of Cincinnati, former president of the iron workers union, changed his plea from not guilty to guilty.

Governor Wilson received an enthusiastic welcome in Colorado.

Mr. Bryan's campaign in North Dakota, Minnesota and Iowa is being greeted everywhere by large crowds.

An attempt was made by a fanatic to kill Colonel Roosevelt at Milwaukee. He was shot in the breast, but the wound is not believed dangerous. Details are too meager, as The Commoner goes to press, that the extent of Colonel Roosevelt's injuries had not yet been ascertained by the physicians and surgeons in attendance. An Associated Press dispatch, from Milwaukee, dated October 14, says: Theodore Roosevelt was shot in the breast here by a would-be assassin. With a bullet in his body Colonel Roosevelt went to the auditorium to make his speech. He refused to permit physicians to examine the wound until he had finished his address.

The wound was superficial and the colonel went on to the hall and began his speech after he had seen the assassin arrested and taken to the police station. The assassin, who is small of stature, admitted firing the shot.

In notes found in the man's pockets at the police station were statements that the man had been visited in a dream by the spirit of William McKinley, who had said, indicating Roosevelt: "This is my murderer; avenge my death."

Colonel Roosevelt's life probably was saved by a manuscript of the speech which he delivered tonight. The bullet struck the manuscript which retarded its force as it passed through into the flesh.

The assassin was prevented from firing a second shot by Albert H. Martin, one of Colonel Roosevelt's two secretaries. Colonel Roosevelt had just stepped into an automobile when the assassin pushed his way through the crowd in the street and fired. Martin who was standing in the car with the colonel, leaped onto the man's shoulders and bore him to the ground.

Milwaukee, Wis., Oct. 14.—Colonel Roosevelt's special train left for Chicago at 12:50 a. m. As he left the colonel said he would spend the night on the car and that after remaining a few hours in Chicago he would go on to Indianapolis to fulfill his speaking engagements tomorrow night.

A mutiny broke out at the Wyoming state prison at Rawlins and thirty prisoners escaped. This was the prison where a negro was lynched by convicts after he had been placed behind the bars for safekeeping.
