## Automatic Sewing Awl

A Perfect Device for Sewing Any Heavy Material

The **SPEEDY STITCHER** is the latest invention and the most effective of anything in the form of an Automatic Sewing Awl ever offered for the money. Its simplicity makes it a thoroughly practical tool for any and all kinds of repair work, even in the hands of the most unskilled.

With this Awl you can mend harness, shoes, tents, awnings and pulley belts, bind books and magazines, sew or mend carpets, saddles, suitcases, or any heavy material.

The **SPEEDY STITCHER** is provided with a set of diamond-pointed grooved needles, including our special needle for tapping shoes, which is an entirely new invention. It also contains a large bobbin from which the thread feeds, all of which are enclosed inside the handle out of the way. This Awl has a tension which enables you to tighten your stitch, and it can be used with or without the bobbin, which saves refilling the bobbin when you have a lot of work to do. These valuable features you will not find in any other \$1.00 Awl. No wrench or screw driver is required to remove the bobbin or tighten the needle in chuck, as is necessary in other makes.

The Awl is convenient to carry—always ready to mend a rip or a tear—it is a tool no practical man can afford to be without, and it is a tool that will save dollars in every home. New needles can be secured at any time. We will send this Awl (together with complete instructions) to any address, postpaid, on receipt of \$1, a bill or money order.
