# **A Genuine Rupture Cure** Sent On Trial To Prove It

## Don't Wear A Truss Any Longer

After Thirty Years' Experience I Have Produced An Appliance for Men, Women and Children That Actually Cures Rupture

#### **ARE YOU RUPTURED!**

If so, the BROOKS APPLIANCE is made for You; You and all other Men, Women and Children who are sufferers women and Children who are sufferers from this annoying and dangerous trouble. That truss you have been wearing—one of many you have tried,— chafed and irritated you and was worse than nothing. It had springs and pads and harness and straps and fixings galore and was continually getting out of shane—slipping down or working up of shape—slipping down or working up and always needing attention. Then, there were salves and washes and ointments to make the case worse and harder to bear. I want to say that you will find none of these annoyances and vexations in the BROOKS APPLI-ANCE. At least they are reduced to a minimum. This APPLIANCE was made with a view to eliminate, to do away with, just such trouble. I would have been foolish to work half a lifetime, thinking out and perfecting a thing that had no advantage or was not hetthat had no advantage or was not betthat had no advantage or was not bet-ter than scores of other inventions upon the market. In my APPLIANCE you will find the old objectionable features LEFT OUT. You will find it easy to wear. You will scarcely re-alize you are wearing it. There is no binding, drawing and slipping out of place. It does its work effectively and with comfort to the wearer. I want with comfort to the wearer. I want you to read my book in which I have taken pains to give full particulars about it. Then, there are a few letters printed in it—selected at random from among hundreds written by men and women who have been cured. You can write these folks and see that they write these folks and see that they say. If were you I would de to this matter without waiting. Y i can put off some things without run ing much risk, but a rupture is a dangerous proposition to neglect. A rupture is not only bad and serious of itself, but it leads to things infinitely worse. ### Cured at the Age of 76

Mr. C. E. Brooks, Marshall, Mich. Dear Sir:-

I began using your Appliance for the cure of rupture (I had a pretty bad case) I think in May, 1905. On Novem-ber 20, 1905, I quit using it. Since that time I have not needed or used it. I am well of rupture and rank myself among those cured by the Brooks Discovery, which, considering my age, 76 years, I regard as remarkable. Very sincerely yours. SAM A. HOOVER,

#### **Others Failed But** The Appliance Cured

C. E. Brooks, Marshall, Mich.

Dear Sir:-

Your Appliance did all you claim for the little boy and more, for it cured him sound and well. We let him wear it for about a year in all, although it cured him 3 months after he had begun to wear it. We had tried several other remedies and got no relief, and I shall certainly recommend it to friends, for we surely owe it to you.

No. 717 S. Main St., Akron, O.

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:-

Perhaps it will interest you to know that I have been ruptured six years and have always had trouble with it till I got your Appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact, at times I did not know I had it on; it just adapted itself to the shape of the body and seemed to be a part of the body, as it clung to the spot, no matter what position I was in.

It would be a veritable God-send to the unfortunates who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They

would certainly never regret it. My rupture is now all healed up and nothing ever did it but your Appliance. Whenever the opportunity presents itself I will say a good word for your Appliance, and also the honorable way in which you deal with ruptured people. It is a pleasure to recommend a good thing among your friends or strangers. I am, Yours very sincerely, JAMES A. BRITTON. 80 Spring St., Bethlehem, Pa.
