

Record Vote on the Hobson Bill

The vote in the national house of representatives on the Hobson resolution to submit a constitutional prohibitory amendment to the state legislatures, as compiled by the Temperance society of the M. E. church, is as follows.

As the news reports of the vote on the Hobson resolution contained inaccuracies which failed to do justice to some states, some parties, and some individuals, we give below a review of the record on the vote for national prohibition December 22. It is classified by states and parties, and is made accurate by reference to the Congressional Record and the Congressional Directory.
