Start a Collection With This Beautiful UNCLE SAM SUGAR SPOON

This exquisite Uncle Sam Sugar Spoon, which we are distributing **WITHOUT EXTRA COST** to our readers, is a real triumph of the silversmith's art. You should start your collection of State Seal Souvenir Spoons with it. A plain drawing of it is shown here. No drawing could do justice to its loveliness, richness or quality. It must be seen to be appreciated. The bowl is large, smooth and free of ornamentation. This makes it easy to clean. At the head of the stem or handle is the eagle-shield of the United States with the National motto, "E Pluribus Unum." Under this is the head of George Washington surmounting the emblem of the District of Columbia, seat of the government, a figure of Justice holding the sword and book of the constitution with the motto, "Justitia Omnibus," justice for all. Below it is the Fascia emblematic of the power of the law. The engraving and chasing are exquisite. Examined under a magnifying glass they show a depth and perfection rarely found in silverware.
