

FAT FOLKS, etc., Hardening of the Arteries, etc., Head Noises, Appendicitis, etc., and AUTOLOGY

"I HAVE lived as near as I can to your teachings for five weeks. I notice great improvement and feel quite sure I shall be in fine health in a short space of time. My weight was 211 pounds when I began your system and now I weigh 182 pounds. I was afflicted with catarrh and threatened with Hardening of the Arteries. The Doctor thought there was nothing to be done to better or stop that condition. Yet, I already feel 50 per cent better." H. D. (Name on request.)

"Your treatment is doing wonders for me. Up to last Xmas I was troubled with my stomach and had spells of palpitation and weak feelings in the region of my heart. The Doctor said I had *Hardening of the Arteries* and was liable to drop dead at any moment. He treated me for three months. I developed head-noises, also bad headaches and faint-spells. I changed doctors—the new one confirmed the first one's diagnosis but said he could keep me alive for a year or two. He treated me three months, changing the medicine a number of times, but doing me no good, when I providentially saw your advertisement and got *AUTOLOGY*. I have been following your directions for chronic cases and am able to work 8 hours a day in my garden, my head-noises have disappeared, my hearing is much better and I have not had a bad faint-spell since starting the treatment. I feel ten years younger. I have read *AUTOLOGY* through twice and money could not buy it if I could not get another. It is wonderful — it looks as if the times of Restitution promised in Acts 3:21, were at hand and you, dear doctor, the chosen one to make the way of healing known." Then, four weeks later this same man writes: "I am in excellent health and feel twenty years younger; am cutting saw logs."—S. W. H. (Name on request.)

"*AUTOLOGY* saved my life. Three of the best physicians here told me I would be compelled to have an operation for *Appendicitis*. Nevertheless I have had no pain or indications of it since following *AUTOLOGY* eight years ago. It has been nothing less than a 'Godsend' to me."—Mrs. C. K. G. (Name on request.)

"After adopting *AUTOLOGY* as my exclusive method of treatment in all cases I had phenomenal success—Have not lost a single case of Pneumonia, Typhoid Fever, Appendicitis, Gastritis and other diseases too numerous to mention."—Dr. J. S. D. (Name on request.)

"I am getting better of the *Hardening of the Arteries*; all dizziness and heart thumping have disappeared."—E. C. C. (Name on request.)

"We consider *AUTOLOGY* one of the most wonderful books ever written."—"*Physical Culture*" Magazine.
