

By Jo Duree

And so it came to pass that the ATO's dined with the DG's... to a tactful degree if one might judge from the passing remark that Ray Roland served across the table to Marg Krause... "Say, they don't have that 11 o'clock radio program anymore..."

Phi Delta, as is the great Nebraska custom, are taking dates to their houseparty and it's just possible that you'll see KKG Mary Ann Cox with Bob Stone, DG Mary Jane Fuller with Laird Fisher, Alpha Phi Mary Bird with Bill Ottoman... then Bud Boyden is dragging Alice McCampbell, which is no surprise to people who have watched Bud haunt the Theta house...

This seems anniversary week -- at least for DG Jessie Moore and Beta Bob Lichty, for we understand that they've been steady for a year now...

And the newest innovation in a Saturday houseparty to date is this verified rumor that whoever drops in the Kappa Delta house may come quite informally... in case they want to chance a ride on the hobby horses, etc., etc.... Some KD's and the people who will be attending that circus will be Billie Suing with Lowell Jackson, Anna Margaret Limp with Merrill Rogers, ATO; and Meg Mohrman with Phi Sig Bruce Clausen...

Does anyone know whether the Deltas have perpetrated any more

of their practical jokes on unsuspecting pledges... the lad who got all dressed up and mentally prepared for an evening ROTC parade one night, because the Deltas told him so...

And if per chance there should be many a new face among those of people you know tonight... think nothing of it... Scottsbluff is making a pilgrimage into town for their game with Lincoln high.

Joyce Junge, Pi Phi pledge, seems to have gotten a trifle confused and given the same line to all three of her friends... with the novel result that the lads got together and have decided that Joyce must make up her mind or they'll make it up for her... and may the best man win, etc., etc....

What would we do without the Yahudi's of the world...

It would seem that Delt Harold, better known as Bud, Rohde has affected another freshman as a smooth boy for we hear, now, Norma Westphal audibly thinking so...

The Thetas and the Phi Psi's are drowning people... Thetas and Phi Psi's, naturally... and the old feudings is at fault...

seems the KAT girls got ambitious enough to attempt lifting the porch furniture from the place across the street and since the lads just happened to have several waste paper baskets full of water, they let fly... it got damp

Nebraska Field Song

Fight, fight, fight,
For the scarlet and the cream
We'll all fight like mad for the team
Smash through the line
We're with you all the time,
Touchdown! Nebraska U,
Rah, Rah, Rah
Go, Nebraska.
Pile up that score,
We've got to take this game!
We're going to win
We'll never give in
Fight, Nebraska, fight.

Nebraska We'll Fight for You

Nebraska, we'll fight for you
Go in there you Husker crew,
Fight, fight, fight for every yard,
Smash that center, round the end
and thru the guard.
Nebraska we're all for you
You'll find us true blue.
While the team is scoring
Keep on roaring,
Nebraska we are all for you.

Chant

U-Ra, N-Rah,
U-N-I
U-Varsity, N-Varsity,
Ne-bras-ki-i-i
Ne-bras-ki-i-i
Ne-bras-ki-i-i

The Cornhusker

By Robert W. Stevens.

Come a running, boys,
Don't you hear that noise
Like thunder in the sky
How it rolls along,
In the good old song,
For the sons of Ne-bras-ki.
Now it's coming near
With a rising cheer
That will sweep all foes away.
So with all our vim,
We are bound to win,
And we're going to win today—

Chorus.

For Nebraska and the Scarlet,
For Nebraska and the Cream.
Tho' they go through many a battle
Our colors still are seen
So in contest and in victory
We will wave them for the team
And 'twill always stir a Cornhusker
The old Scarlet and the Cream.
Chorus.

Hail Varsity

Hail to the team,
The stadium rings as ev'ry-one sings the
Scarlet and Cream.
Cheers for a victory,
Echo our hearty,
So on, mighty men
The eyes of the land, upon ev'ry hand are
looking at you,
Fight on for victory,
Hail the men of Nebraska U.

Lentz tells of band activities

Don A. Lentz, leader of the Varsity band, announced the schedule of band activities for the coming games. At the Indiana game, the different activities will take place in this order: at the opening the band will play the "Star Spangled Banner," following which it will lead the audience in singing "America" and the "Cornhusker." At the half, the band, in the form of a large I, will salute Indiana with their Alma Mater. Following a marching demonstration, the band will next form three revolving circles as Pat McNaughton gives a demonstration of Swiss flag throwing. After this there will be a series of "Maze-marching" and a brilliant fanfare review will feature the brass section in "The March of Steel Men."

The newly-formed Regimental band will also participate in maneuvers at the half. The Regimental band, now including upperclassmen, has taken the place of the freshmen bands of previous years. Its members march in military uniforms.

All of those attending football games are especially requested to rise and participate when the Nebraska chant is being played.

Survey of 70 students finds only two non-readers of Daily

Front page, sports column tie for men's preference; coeds like society; 'Scrap Irony' in top spot

What a relief it is to find that our efforts and energy are not being expended in vain, for in a campus survey of 70 students only two were not daily readers of the NEBRASKAN.

The object behind this survey was to determine just what the students did read and what they liked to read, and accept their suggestions as well as their gripes. In other words to find out just what the students wanted and give them exactly that.

According to this survey the front page and sport column just about tie for first place among the men of the school, while "Socially Speaking" leads by a length among the women. The most universally read column, however, seems to be "Scrap Irony" by Chris Petersen with Jim Evinger's "Sports Arena" running a very close second, and the editorials not far behind.

Most all students interviewed always read the "Bulletin" and all other campus activities, but school department tips seemed to be without a reader. Features of all types and description seem to be in great demand, namely those playing up the activities of dramatic and music departments.

Surveys on the whole are well read and most of those interviewed considered them, "Sweet ways to express our feelings." Several requests for more "Inquiring Reporter" surveys were received, especially from the girls, because they think they are so cute. Grips were very few and far between, none of them very serious except for that received from one young man who definitely requested there be no more "Date on a Dime" features. Seems he tried it and it resulted in a very embarrassing situation!

Pinkham offers amusement. Lydia Pinkham and her famous remedies amused the doctor and the audience a great deal. "The remedy was composed of 40 percent alcohol and a few herbs. After a woman had taken the remedy upon arising and every two hours, she began feeling pretty good about the middle of the afternoon."

Slogans and advertising help quackery a great deal, the doctor explained. Dr. Fishbein has been sued for a total of 35 million dollars but no one has ever been able to collect. He spends much of his time uncovering quacks and bring them to justice.

Yesterday afternoon, Dr. Fishbein conducted a question and answer forum for approximately 50 in the Union. Socialized medicine, and other questions pertinent to many students were discussed. He left by plane at the conclusion of this forum.

War on in China but Lingnan uni students publish paper

Daily receives copy of Chinese paper with request for exchange; sent as evident gesture of good will

That college journalism is being carried on in spite of the war in China was shown Wednesday when a copy of the Lingnan Weekly, Chinese university paper was received in the Daily office. The paper, an English version, is published by the students of Lingnan university, once located in Canton but now moved to Hong Kong.

Accompanied by a request to exchange papers with the Daily, the newspaper was evidently sent both as a gesture of good will and as propaganda for the Chinese cause. The upper right hand column contains a masthead in Chinese while the rest is in English.

Move university

An editorial describes the movement of the university from Can-

ton in October, 1938, to Hong Kong where it was set up in Hong Kong university buildings, with the help of the British.

An article on scholarships reveals that there are "about a score" of American professors on the faculty. A list of faculty members going to the United States for further study is given. Most of them are going on scholarships from American colleges.

Remainder of the paper is devoted to reports of war organizations and charities.
