

An eye on Girls Sports

New bowling champions for 1941 are the Thetas who defeated the Tri Deltas 685-623 in the finals last night at 5. Lois Keller copped top score for the entire season with 188.

Bowling scores have certainly risen as the two tournaments have progressed. High team scores started at 500, and went to the level of 771, Theta 4 score as it defeated Kappa Delta Monday. Likewise mention for individuals started at 150, and now the common top scorers make over 170 and 180. A newcomer to "high score" honors is Ardis Lyman, who bowled 174 in Monday's game.

Better pep up those ping pong matches as all round two games must be played off by Friday at 6. Arrangements are being made thru the WAA office, so be ready to play as soon as you are called. Lone game report shows that Olive Sorensen, DDD 1, defeated Wanda Krebs, AXID 1 in round 1 singles.

Second basketball practices will continue only until the end of this week. If you cannot practice the night your team is scheduled, be sure to come some other night. The Towne club, Tri Deltas, and Thetas are to practice Wednesday, the Kappa Deltas and Barbs, Thursday, Friday will be open for those unable to come any other night.

The ag college WAA will soon be the proud possessor of a new intramural plaque which will be presented to the group who shows the most interest in intramurals

Kansas City host to Big Six indoor meet; Huskers favored

LAWRENCE, Kan.—A tooth and toe-nail battle for individual championships will feature the annual Big Six indoor track and field meet, Saturday in Kansas City's municipal auditorium.

Nebraska is regarded as almost a sure thing to repeat its team victory of last year, but the competition for individual championships will be something else again.

No one is a certain victor, not even "Red" Littler, ace of the Cornhusker team. "Red" is liable to have his hands full with Don Walters of Missouri and Orville Mathews of Oklahoma in the 60 yard dash. Walters clicked off a 6.3 60 in his first start of the season.

Competition in 440

Gordon Crosby of Missouri and Bill Lyda of Oklahoma are expected to make a race of it with Littler in the 440 yard dash. Crosby is another Tiger sophomore of considerable promise.

Most likely repeater of the defending champions is Marshall Reeves of Missouri in the 880 yard run. Reeves has never been beaten in a Big Six meet and should maintain that record against Lyda, Kersey of Nebraska and possibly Bob Ginn of the Huskers.

Ginn, sensational Nebraska sophomore, is favored to win the mile, but will be up against stiff competition from another new man, Larry Inman of Iowa State. Inman looks very promising.

Wide open 2-mile

The two mile looks like a wide

open race, unless Ginn passes up the 880 to compete in this longer race. The Nebraska ace won the fall two mile race and will be a strong favorite if he runs in this event, even though he will have run the mile previously.

Nebraska, Missouri and Kansas State all will have stars in the hurdle races. For the Huskers it will be Bill Smutz and Bob Kahler. Missouri is depending on Jimmy Johnson, while Kansas State's bid for points in the hurdles will be by Ed Darden.

Hunt leading vaulter. Kansas is hoping to see its "jumping twins," Bob Stoland and J. R. Jones. Stoland, ineligible last year, was the 1939 Big Six high jump and broad jump champion. Jones won the broad jump at the conference indoor meet last winter.

Harold Hunt of Nebraska and Dick Higgins of Missouri, who tied for first in the pole vault at the 1940 Big Six outdoor meet, should put on another great duel. Leading contenders in the shot put are Wayne Blue and Vic Schleich of Nebraska and Elmer Aussiker of Missouri.

With an eye on the top of the Big Six basketball heap, Nebraska's cagers went thru a lengthy scrimmage Tuesday afternoon.

Coach A. J. Lewandowski had the first and second teams engaging in an intra-squad battle that lasted until 6 p. m. And practice they need, for the league-leading Kansas Jayhawkers are coming to town.

The Huskers will serve as hosts for the Cagers of the Kaw river Saturday night in the coliseum. To date the Scarlet has six wins and three defeats, while as of before last night, the Jayhawkers had a record of five and one.

Kansas on top. Kansas must lose one of their games before hitting the Huskers to enable the Nebraskans to move into a first place tie in the advent the Huskers beat the Kansans.

Lewandowski had the regular first string battling the second Tuesday. John Fitzgibbon and John Thompson were at forward, Al Randall was at center, while Sid Held and Don Fitz were at guard.

The second five had Harman Goetze and Les Livingston, forwards; Lyle King, center; Wayne Kellogg and Max Young, guards.

Tip on "How to Make a Hit With the P. E. Dept." Just ask any member of the phys ed faculty or office staff to tell about their bowling achievements. We understand Miss Lee, head of the department, made quite an impression on some college girls one morning by getting a strike on her first ball. Confidentially girls, it was just about her third try at the game (beginner's luck in our language) and was unaware of observers.

Dark Horse and Angels in barb basketball final

Dark Horse gained the barb basketball finals Monday night, with a 22-15 win over Pioneer Co-op. Breaking a four-all deadlock at half time, the titleholders, led by Howard Robinson with eight points, quickly pulled away in the second half.

Fred Sukup contributed two buckets to the rally, running his game total to six. Merlin Stackhouse, frosh hurdling ace, also helped the victory rush, while Carl Atkison, with eight, and Quint Nelson, six, were the whole show for the Pioneer.

The Angels became the Dark Horse opponents the same night

by whipping the Mad Russians, 23-13. Holding the Russians to 2 points in the first half while scoring 9 themselves, the victors matched points with the Blair boys in the second half to pull into the finals.

Dark Horse will meet the Angels for the barb championship next Monday night at 7:30 at the coliseum.
