THE WONDERFUL WORLD OF DISNEY

Guest stars Jo Anne Worley and Ronnie Schell (center) pose with Mouseketeers Allison Fonte and Curtis Wong in the musical adventure, 'The Mouseketeers at Walt Disney World,' to be presented on NBC-TV's 'The Wonderful World of Disney' Sunday, Nov. 20.

A business and pleasure trip for the Mouseketeers to Florida's Walt Disney World nearly turns into a disaster when they start feuding among themselves. Their chaperone (Schell), with the help of local reporter Colleen Osborne (Worley), manages to patch things up and, with everyone back together again, plans an overnight camp-out.

The kids are nearly asleep when suddenly their tents are torn away; Mouseketeer Nita has accidentally tied them to the bumper of a camper, which takes off dragging the tents behind it. After taking their frustrations out on Nita, the kids awaken the next morning, discover that she has disappeared and refuse to perform until she is found.

newly fired young salesgirl saves an infant from falling off the steps of a founding home and is mistaken for the child's mother. Complications arise when her ex-husband's son is suspected of being the father.
