For my love, Babba Jom  
Yesterday, I was thinking fondly of you and the many things we've done. The happy moments that we've shared, the laughter and the fun... with each new tomorrow I'll still be thinking, too, of just how much it means to me to have your love and you... and always I'll be wishing that your life will truly be as wonderful and happy as you make each day for me. I only wish I didn't have to share with the "big guy" upstairs (you know the one who points and says, "Y-O--U")! Yes bubs, you are one of the few people that the "big guy" considers a TRUE man. You're an admired guy over there in the quad. I guess when someone is as good as you, everyone wants ya. Make your 20th the best, bubs. Love and kisses, (and maybe a hug or two)
