**WANTED: One lunatic**

The Daily Nebraskan needs someone who isn't playing with a full deck. A real nut. Actually, we need a new creative director for our advertising department. We had to lock up our old one.

It's not a pretty job. You must be able to draw very well, write copy very well and work under a deadline. And you've got to have a wild imagination.

If, for some strange reason, you're interested in this position, come down to Room 34, Nebraska Union and pick up an application. Oh...and just ignore the cage in the corner.

Room 34, Nebraska Union
