MUSIC CONTEST BANQUET SUCCESS

The music contest banquet, which was postponed from December, was held on Wednesday evening at the Golden Hotel in this city, with about sixty-nine present, about thirty being guests from out of town, and about thirty-nine present from O'Neill. The following towns were represented at the meeting, with one or more present from each place: Atkinson, O'Neill, Creighton, Long Pine, Stuart, Bassett, Inman, Spencer, Ewing, Niobrara and Page. Cards were received from several other towns, who had no representative present, and it is thought that due to the bad roads and inclement weather, they were unable to come.

O. L. Webb, of Lincoln, Secretary and Treasurer of the Nebraska High School Association, was present, and explained the rules and regulations governing the music contests. J. R. Bittner, Superintendent of Schools at Fullerton, gave a very interesting talk on the way the contests have been conyears.

ST. MARY'S WINS

NUMBER 36

The St. Mary's Cardinals defeated the Atkinson High quinte: for the County Title last Friday night before a crowd of a thousand enthusiastic fans.

From the very beginning it could be plainly seen that this was the game that would make tournament history. The Atkinson Bearcats started the scoring with a free throw. St. Mary's returned with a basket by Shoemaker to give the start to a game of thrilis. The Atkinson quint had a great advantage in their height but the small St. Mary's team made up for more than the oppositions size with their fastness. After a rough first half the score stood 8-8
