### J. Fuller Pep

By JERRY LINK

The widow Brown who's been sparkin' old Jed Moore says it isn't Jed's dancin' that fascinates her; it's his "pep appeal."

Which shows she's a discernin' woman, because Jed's a full-fledged vitamin fan and eats his KELLOGG'S PEP every morning.

PEP hasn't got all the vitamins, of course, but it's extra-long on the two that are extra-short in many people's meals—B<sub>1</sub> and D. What's more, it's plumb delicious. Why not try it tomorrow?

## Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

## We Can All Be EXPERT BUYERS

• In bringing us buying information, as to prices that are being asked for what we intend to buy, and as to the quality we can expect, the advertising columns of this newspaper perform a worth while service which saves us many dollars a year.

• It is a good habit to form, the habit of consulting the advertisements every time we make a purchase, though we have already decided just what we want and where we are going to buy it. It gives us the most priceless feeling in the world: the feeling of being adequately prepared.

• When we go into a store, prepared beforehand with knowledge of what is offered and at what price, we go as an expert buyer, filled with self-confidence. It is a pleasant feeling to have, the feeling of adequacy. Most of the unhappiness in the world can be traced to a lack of this feeling. Thus advertising shows another of its manifold facets—shows itself as an aid toward making all our business relationships more secure and pleasant.
