ASSISTANCE BENEFITS TOTAL \$2,641,000

In the past five years, the brewing industry in Nebraska contributed the sum of \$2,641,183 in beer excise taxes to State Assistance—principally for Old Age, Aid to Dependent Children and Blind benefits. Of this amount, approximately \$1,674,510 went to Old Age As.

Our industry is glad to assist in supporting the state's public welfare program. Without this revenue, it would be necessary for Nebraskans to dig deeper in their pockets, or find a source that would yield an equivalent amount of tax money.

This Committee is helping to preserve these benefits by making certain, through its self-regulation and educational program, that beer is sold under clean, wholesome conditions in Nebraska.
