

Nazis Kept on the Alert

Guerilla warfare is admittedly a thorn in the side of Germany's invading army. Top photo shows German troops in a village watching the windows of the houses in an effort to catch snipers. At bottom, German troops have dropped to the side of the road to flank an enemy patrol after learning the patrol was headed towards them.

Quick on the Trigger

The motorcycle scout shown in this photo demonstrates how he would act if an "enemy" plane attacked the truckload of supplies he was escorting during third maneuvers at Camp Polk, La. The soldier quickly dismounted and set his automatic rifle into play against the plane.

On Their Toes in the Desert

Daylight patrols in the western desert carried out daily by the South African infantry brigade quite naturally keeps the unit on its proverbial toes, and when the long journey is over those toes need a rest. The waves along the beach have a cooling effect, and shoes are piled neatly, military style, on the sand.

A Free Show for New Yorkers

Sightseers aboard the boat in the background of this photograph got a real free show as city firemen tested out fire pump trailers at Battery park, in New York. The test was given to determine just how much could be expected of the trailers and what they could do in the event of an emergency.

At left is shown Tschalus, Iran, a beautiful industrial city on the highway from Teheran to the Caspian sea. Picture at right shows Neidan I Naftun, Iran, richest oil pool in the world, where mysterious "German tourists" prompted an Anglo-Russian invasion.—Soundphotos.

Get Going, Boys and Girls, Here She Comes!

This sequence of pictures is said to be among the finest ever made of a tornado. They were made by Mrs. Omar Shields as the writhing funnel-shaped cloud neared her home at Lincolnville, Kan. The first photo, taken from a distance of approximately three miles, shows the dark, twisting menace as it first struck the ground. The second picture (center) taken when the twister was but a mile away, shows the tornado at the height of its fury as it rushed towards Lincolnville. The third picture (right) was taken after the gale had leveled Lincolnville. The tornado is seen swerving from its path as it began to disintegrate. An instant after first picture was made the twister ripped through the Highland rural school and demolished it.

Start of 30-Mile Bike Marathon

A big field takes off in the 30-mile marathon of the National Amateur Bicycle Championships at Pasadena, Calif. The race saw Marvin Thompson (sixth from the right) of Chicago, finish second, after winning a three-mile sprint. Thompson won the senior crown with a total of 17 points. Yes, bicycle riding seems to be coming back into its own these strenuous days.

Food for Singapore's Defenders

Britain must feed the strong force she has poured into the strategic port of Singapore, and here we see frozen pork from Australia being loaded onto railway trucks. The thousands of soldiers entrenched here are prepared to defend the city from possible attack by Japanese operating out of bases in Indo-China.

Strong Gentleness  
The power of gentleness is irresistible.

THE TRUTH SIMPLY TOLD  
Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
