WE'RE BENCHING THE FUMBLERS!

When a player fumbles, the whole team suffers. THAT'S TRUE in beer retailing as well as in football.

THAT'S WHY the Nebraska Brewing and Beer Distributing Industry believes in benching the fumblers—the very few beer dealers who penalize the whole industry by improper operation.

For the past three years the industry has helped to regulate itself—assisted the authorities in eliminating violators. You've heard of our Clean-Up Program.

YOU CAN HELP! Cooperate with the great majority of law-abiding beer retailers by patronizing only reputable dealers and reporting any unlawful conditions to our Committee.
