NAVY WEATHER MAN. Interested in this unique, fast-growing field? Navy training is second to none.

OPTICAL INSTRUMENTS call for skilled repair work. You can train in the Navy for this big-pay field.

Get Set for Life
WITH NAVY TRAINING
(Ask about the Naval Reserve)

EXPERT METALSMITHS teach blue-jackets how to operate heading machine. Soon they'll be experts, too.

ARC WELDERS AT WORK. Some of the best electric arc welders in the country are Navy-trained. This is but one of the 45 trades you can learn. When you learn in the Navy, in later life you're always in demand.

EXPERTS IN RADIO do interesting work. In civil life the pay is high. Let the Navy teach you radio work.

DO YOU KNOW that in every trade, profession and business there are successful men—men who earn five, ten and even twenty thousand dollars a year—who will tell you that they owe their success largely to the training they received in the United States Navy?

There are three good reasons for this. First, Navy service develops the essential qualities of leadership, efficiency and accuracy which are the backbone of success in or out of the Navy.

Second, you can't beat Navy instruction. The American Navy is the finest in the world, and that means every individual—whether he is radioman, electrician, machinist or cook—must be tops in his line. Third, the Navy makes men. Healthful sports, good food, expert medical and dental care will build you up physically to the rugged health that is typical of Navy men.

EARN NAVY PAY WHILE YOU LEARN

Instruction in many fields today runs into hundreds and sometimes even thousands of dollars. The Navy not only offers you this instruction free, but will give you regular Navy pay while you are learning! And remember this:

When the Navy says you are a Diesel expert, you are a first-class Diesel expert. When you get a

Navy rating as a radioman, you are as good a radioman as they come—and probably a bit better. That's why Navy men are in such big demand by

civilian employers. There wouldn't be room in this paper to list the thousands of men that Navy training helped to get set for life. Remember, you have even better opportunities today!

LOOK WHAT THE U. S. NAVY AND NAVAL RESERVE OFFER YOU

- FREE TRAINING** worth \$1500. 45 trades and vocations to choose from.
- GOOD PAY** with regular increases. You may earn up to \$126 a month.

- FREE MEDICAL CARE,** regular dental attention.
- FINEST SPORTS** and entertainment.
- TRAVEL, ADVENTURE, THRILLS**—You can't beat the Navy for them!
- BECOME AN OFFICER.** Many can work for an appointment to the Naval Academy or the Annapolis of the Air at Pensacola.
- FUTURE SUCCESS.** It's easy for Navy-trained men to get good-paying jobs in civil life.
- LIBERAL RETIREMENT-PAY** for regular Navy men.
