THE FRONTIER

VOL. LXII

SOUTHWESTERN BREEZES

By Romaine Saunders

It doth appear, from the noises I hear morning and evening, that most of the pheasants eluded the hunters. The harsh call of the male birds indicates that there are season.

Many of the workers in struck factories and mines would prefer to stay on the jobs but are called 7-6. as the try for point was sucout by union bosses, whose proper treatment would be good stiff fines only scores in the first half. and a few years in a penitentiary.

There is said to be ten million horses in use on the farms as for a long broken-field run. Wetzagainst twenty million a score of ler scored the extra point on anyears ago. Maybe therein lies an other pass. On a fake line plunge answer to the "farm problem."

Alaska's contribution to the country's fish supply is 1,241,000 down. cases of canned Salmon as the season's pack. But this is a story I was told by a friend who visited an Alaska Salmon cannery: Signs hung plentifully around indicating strict sanitary regulations, but he saw a chap at work packing the cooked Salmon into cases as he thought no one was looking squirted his tobacco stained spit into a can and filled it with the red flesh of the Salmon.

Mr. and Mrs. George Meals, Melvin and Marvin, and Mrs. Opening Last Week.

O'Neill High Trims Gregory High School

The O'Neill Eagles came roaring back in the second half to down Gregory High School 19-7 on a slippery field at Gregory, South Dakota, on October 30. In their first out-of-state game. the O.H.S. outfit had to come from behind in order to gain its margin. From the first kickoff, the a lot of pheasants left over to Eagles drove to a touchdown but generate the broods next next failed to make the point. The score was made by Wetzler on a pass
