**Now is the time to Switch TO ELECTRIC COOKING**

**And Give Kitchen Cares the "Go-By"**

Meals are going modern electrically as Mrs. America, nationally, switches to electric cooking. You, too, can enjoy the thrills of carefree cooking, of the economies, conveniences and general all-around efficiency offered by electric cooking, by installing a beautiful, new MODERN electric range. Just think—your kitchen time is shortened, sometimes as much as fifty percent, with an electric range. All you need do is prepare your food, put it in or on the range, set the automatic timer to its "on and off" positions, then forget about your meal until you are ready to serve it. Simple, isn't it? And, oh, what delicious foods these new electric ranges turn out. But let us show you what we mean with a demonstration in our office. Come in soon, won't you? We have just the range you want at a price you'll be pleased to pay.

**The Whole Nation Is Talking About COOKING ELECTRICALLY**

It's a fact! Housewives everywhere are talking, trying, actually turning to electric cooking by the thousands. For after all, it is the modern, matchless method of food preparation. And the new, gleaming, easy-to-use, easy-to-clean, easy-to-buy electric ranges are the dream of every woman. You'll want to see our complete assortment soon!

**New Low Electric Rates Make ELECTRIC COOKING even more practical**

Consumers low electric rates make electric cooking even more practical than before. In fact, electric cooking is so cheap that the cost is calculated to mere pennies per day. You'll want all the facts on this point and we have them for you, compiled from actual home tests.

**Try the Coffee Making Test**

Imagine, putting your coffee on to cook tonight, then having it all prepared and ready to serve when you arise in the morning. That's what you can do with an electric range with the automatic "on and off" timer. See it demonstrated in our office.

**YOUR DEALER ALSO STOCKS MODERN ELECTRIC RANGES**
