A Happy New Year . . .

Ring, bells, ring! 'Tis New Year's, and may it be a happy one! May the year continue to be good to you as the months roll by, and may it bring you more health, more happiness and more prosperity than you have ever known.

At least, that is our wish for you at this joyous New Year's season. We greet you all and look forward to seeing you soon.

BEST WISHES FOR ALL 1942

This organization has grown up with this community, and, during good times and bad, has clung steadfastly to the principle that the good will of its customers is an asset beyond all price, and we are willing to break precedent, at times, in order to retain it.

In this spirit of appreciation we wish for you and yours the most enjoyable and prosperous New Year you have ever known.

"The moving finger writes, and having writ, moves on," says the Persian poet. And while that moving finger may "cancel not a line" the lessons it has pointed out should inspire all to finer goals for 1942.
