

## Livestock Receipts Lighter Prices Firm

The extremely severe weather conditions of the past ten days tended to reduce livestock receipts here last Monday. However a fairly good supply was on hand and the undertone was firm with she-stock selling at stronger prices than a week ago. The steer market showed some dragginess except on the better grade of lightweights. This class was fully steady.

An extreme top of \$13.05 was paid for lightweight steer calves with the bulk of the offering cashing from \$11.50 to \$12.75. Heifers in this class moved mostly at \$10.25 to \$11.40.

Yearlings had a tendency to drag, though this may have been mostly due to the quality of the offering which was only fair to medium. Prices remained about steady with a week ago, quality considered. Prices ranged mostly from \$10.25 to \$11.30. Heifers sold from \$9.00 to \$10.25.

Cows were plentiful and sold at high prices. The best fat cows reached upwards to \$8.50, with the bulk moving at \$7.25 to \$8.00. Breeding cows sold by the head at firm prices. Bulls topped at \$9.30.

Hog receipts were reduced but the market was very active. The best kind of butchers sold at \$11.00 but \$10.95 took the long end. Sows ranged from \$9.70 to \$9.90 depending on weight. Pigs were scarce and sold mostly by the head.

The next regular auction will be held on Monday, January 12.

The bride, who was given in marriage by her father wore a soldier blue velvet street length dress with a basque bodice and full skirt and matching velvet dutch cap and shoulder length veil. ## Mrs. Martha A. Burge

Mrs. Edward Burge died at the Stuart hospital last Sunday evening at 9:30 after an illness of several months, of cancer, at the age of 49 years, eight months and eight days. The funeral was held Wednesday afternoon at 2 o'clock from the Presbyterian church, Rev. Dr. Spencer officiating and burial in Prospect Hill cemetery.

Martha A. Sargent was born on the homestead of her parents fifteen miles north of this city on April 26, 1892, where she grew to womanhood. On April 12, 1912, she was united in marriage to G. E. Burge, the ceremony being performed at Meek, Nebr. Three daughters were born of this union, who with their father are left to mourn the passing of a kind and affectionate wife and mother. The children are: Mrs. D. E. Segar, Mrs. E. T. Verzal, of O'Neill and Miss Ruth at home. She is survived by her mother, Mrs. Edsen Sargent, one brother Leon Sargent of this city, and a sister, Mrs. Carrie Sholes, of Adrain, Michigan; two step brothers, Ed. Dart of Wall, S. D., and Will Dart, of Bend, Oregon. They were all present at the funeral except Mrs. Sholes, who had returned home the week before, after a couple of weeks visit here.

The following relatives were in attendance at the funeral from out of the city: Mrs. E. A. Dart, Wall, S. D.; Mrs. Ethel Wessel and daughter, Helen, of Omaha; Mrs. Claude Berry, Kadoka, S. D.; John Wallmer, Orchard, Nebr.

Above five years ago she submitted to an operation for stomachic ulcers at Rochester, Minn. For a time her health seemed to improve, but after a couple of years she began to fail in health and a couple of weeks ago was taken to the Stuart hospital for treatment, but the malady progressed so rapidly that she peacefully passed away last Sunday evening.

Mrs. Burge was a charming lady and had a host of friends in this city and county. Her life was devoted to the love and care of her husband and children and her passing in the very prime of life, is a sad blow to her family, relatives and all friends.

The frontier joins the many friends of the family in tendering them and relatives its condolences in their hour of sorrow.

## Large Number Expected To Attend Annual Meeting

More than 300 farmers and stockmen from Holt, Boyd, Garfield and Wheeler counties are expected to be on hand for the annual meeting of the O'Neill Production Credit association next Saturday at the High School auditorium in O'Neill.

Final plans for the credit co-op's annual gathering of members were announced by the president, D. C. Schaffer Holt county stockman. Starting at 10 a. m., the meeting will feature a forenoon business session, a dinner for the members and an afternoon program of entertainment and talks.

Because farmers and livestock operators are vitally interested in farm defense topics that are to be discussed at the meeting, Mr. Schaffer said the association looks for the largest turnout of members in its entire history.

The members are to elect two directors to the co-op's board for terms of three years, since the term of Mr. Schaffer and C. F. Clark of Burwell expire. Other members of the board are Otto Oberg of Ericson, Otto Krupicka of Spencer and M. F. Gribble of O'Neill.

Activities of the association during the year 1941 will be reviewed in reports by the president and secretary-treasurer James W. Rooney.

Mr. Schaffer said the association advanced over \$600,000.00 during the last year in livestock and general farming loans, with a sizeable portion of the total being loaned to boost the production of farm products needed to carry on the U. S. Department of Agriculture's "food-for-freedom" drive.

## Infantile Paralysis Drive

Again appeals are being made for aid to help combat Infantile Paralysis.

Most people thing Infantile Paralysis is something remote—far removed from our daily lives, and the lives of those we love dearly.

It isn't remote at all, it may be close at hand. The fact that the dread disease is active a thousand miles from us today, is no assurance that it will not be across the street tomorrow, or perhaps in our own homes. Let us think seriously about it at least once a year.

Here in Holt County we have had cases of Infantile Paralysis, and having a fund through the generosity of Holt County people we were able to help those victims.

There is only one way to fight the disease "build a National Defense against it"—the entire country must organize and give to the cause—work among friends and neighbors—raise dimes and dollars for the fight. The fund raised in January each year works the entire year against Infantile Paralysis in buying needed equipment, caring for hospitalization cases, enabling Medical Scientists to carry on research work. Then 50% of what Holt County raises each year is held in the county to help the cause in this county.

I am sure all will agree that if just one child victim walks again because of what Holt county will do in this campaign, that will be reward enough. In spite of the many calls on us in these very tragic days, please do what you can to help Holt county in the fight against Infantile Paralysis.

Mrs. J. J. Harrington,  
Chairman, Holt County

## SPORT NOTES

Well, here I am again. Last week I picked the teams that I thought would win the different bowl games and made 500 percent.

In the Rose Bowl I picked Duke, home team, to win but the underdogs from Oregon State played a brilliant game to win 20 to 16.

In the Sugar Bowl I picked the Missouri Tigers to beat the Fordham Rams, but again I was wrong as the Rams won 2 to 0. Although I do think if it had been on a dry field Missouri might have won, but it was a great defensive game and the 2 points Fordham made in the first quarter was the only score of the game. Hary Ice was the star for Missouri, as he made several spectacular runs. Steve Fillpovicz was the star for Fordham.

In the Cotton Bowl at Dallas Texas I picked Alabama and their team, led by the great back, Jimmy Nelson, won 29 to 21 over the Texas Aggies.

In the Orange Bowl at Miami, as I predicted last week, All American Frank Sinkwich of Georgia played probably the greatest game of his All American career, as he led Gorgia to a 40 to 26 victory.

This is the Bowl games for 1942 and it will be quite a while before you can again cheer for your favorite foot ball team, because the season for football is all over and, so just before we close I decided I would pick my All American Bowl team. This does not mean that all the men I pick on my All American Bowl team are all All Americans. It just means that the players listed below, are in my opinion, some of the best layers in the country and I am sure that they could and have the past year been selected on many All American teams.

End—Holt Rast, Alabama.  
End—Jim Stirling, Texas A and M.  
Tackle—George Hecht, Alabama.  
Tackle—Bob Saunders, Oregon S.  
Guard—Tom Burns, Duke.  
Guard—Mike Fitzgerald, Missouri.  
Center—Joe Sabastanski, Fordham.  
Quarterback—Kule Gillespie, Texas as Christian.  
Halfback—Don Durdam, Oregon State.  
Halfback—Frank Sinkwich, Georgia.  
Fullback—Steve Fillpovicz, Fordham.

These are my selections. It was hard to select the back field, because there were so many good players but I want to give honorable mention to Steve Lach of Duke, Frank Krin of Texas Christian and last but not least Harry Ace of Missouri. See you next week.

Miss Edna Marie O'Malley visited friends in Omaha, from last Thursday until Sunday.

## The Two O'Neill Teams Each Wins Two Games

St. Mary's Academy team opened the 1942 Hout County Basketball Tournament Wednesday at 2:00 p. m., with a victory over Atkinson High by a score of 26 to 22. It was a great game with Saint Mary's hitting their stride and leading almost during the entire game.

At 3:15 Page High School beat Stuart 41 to 33. It was also a tough game but Page held the upper hand during the entire game.

Then at 4:30 Inman,, playing way off their usual game, beat Chambers 28 to 20, and, although Chambers has a very good team, the score should have been doubled.

At 7:00 o'clock Wednesday night O'Neill High School second team played all put the last minute of the game as they walloped Amelia 57 to 6. In the last minute of play the O'Neill High School Pep Club began to yell put in the second team, while the second team had played the entire game up to then, so the Coach sent in the first team and during the minute that the O'Neill first team played they never made a point against Amelia. The trouble with Amelia is that it is a small school and when you looked at the High School team you would have thought the eighth grade team was playing, the boys were so small.

Then at 8:15 St. Mary's played St. Joseph's of Atkinson, who had beaten them earlier in the season, but this time St. Mary's applied the pressure and won 24 to 18.

At 9:30 Page played Ewing and won 49 to 29.

Tonight St. Mary's will meet Inman and O'Neill High will play in the semi-finals and if St. Mary's defeats Inman and O'Neill defeats Page they will play in the finals Friday night at 9:15.

In the consolation Thursday afternoon at 1:00 p. m., St. Joseph of Atkinson beat Chambers 34 to 26. St. Joe played a fine game and it looks like the boys from St. Joseph's want to be in the consolation finals. To do this they may have to defeat Atkinson High School tonight at 6:00 p. m.

Ewing defeated Amelia 50 to 5 at 1:45 Thursday afternoon. Ewing played a fine game and if they could have played as good last night they might have got somewhere.

Tonight Ewing will play Stuart and if they defeat them they will be in the consolation finals against the winner of the St. Joseph's-Atkinson High school.

## O'Neill High Defeats Elgin High

The O'Neill Eagles came from behind in the last half to score a 24-17 victory over Elgin on the O'Neill court last Monday night.

Elgin pulled ahead in the first quarter at the expense of Coach Howard Dean's surprise starters, his "second" first team. Seconds before the end of the initial period, the Eagle regulars came in, but Elgin's margin was too large and the half ended with the visitors leading, 14-12.

The second half produced a smoother O'Neill five, who pulled ahead until the game was well in hand, bringing the final score to 24-17 for the Eagles.

Orville Lewis led the Eagles for the third consecutive time as he chalked up ten points. Calkins was next high with six.

Starting lineup for O'Neill consisted of Wolfe and Yantzi, forwards; Wetzler, center; Vincent and Osenbaugh, guards. The regular five included Burgess, Manzer, Lewis, Calkins, McKenna.
