NUMBER 37

Lysle Floyd Curtis

Lysle Floyd Curtis passed away at a hospital in Sioux City, at 1:30 a. m., Wednesday morning after an illness of one week, following an operation for appendicitis, at the age of 42 years and two days. The body was brought to this city and the funeral will be held tomorrow afternoon from the Methodist church, Rev. Wright officiating and burial in Prospect Hill cemetery.

Leslie Floyd Curtis was born at Palmer, Nebraska, on January 19, 1900, the son of Mr. and Mrs. W. P. Curtis. When he was three years of age the family moved to this county and for a time farmed a half mile north and three miles east of this city, later moving to O'Neill. Lysle attended the O'Neill public schools and graduated from the High School. After his graduation he went to Lincoln and attended the University of Nebraska until he enlisted in the army. While a lad here he worked for a couple of years in the Ben Grady grocery and he seemed fascinated with that line of work, which he followed up to the time of his death. He was employed by the Council Oak Stores for several years and later was with the Clover Leaf Stores and made this city every week in the interest of his firm.

On August 14, 1924, he was united in marriage to Miss Marguerite Carney, a sweetheart of his boyhood days, the ceremony being performed in Lincoln. To this union two children were born, Marilyn Jean, 15, and William Thomas age 11, who with their mother are left to mourn the passing of a kind and affectionate husband and father. He is also survived by his father and mother, Mr. and Mrs. W. P. Curtis of this city.

Lysle had a host of friends in this city and the people of O'Neill were shocked Wednesday afternoon when word was received that he had passed away. He was a lovable young man, in just the prime of life, and his passing is a severe blow to his wife and children, as well as to his parents, who are bereft of their only child. The sorrowing relatives have the sympathy of their many friends in this city and county in their hour of sorrow.

Crop And Feed Loans Now Available

Mr. J. O. Walker, Holt County Field Supervisor for the Emergency Crop and Feed Loan Section of the Farm Credit Administration is quoted as saying that crop and feed loans for 1942 are now available to all eligible farmers in Holt County.

As in former years, Federal funds appropriated for the Emergency Crop and Feed Loan Section are available for crop and feed loans, which include seed, feed, fuel and oil and machinery repairs. Due to expected delays in securing repair parts, applicants are urged to apply as early as possible for funds for the purchase of needed machinery repairs.

This service to farmers is offered by this section of the Department of Agriculture to enable all eligible farmers to produce food and feed in line with the food for Freedom Program.

Loans can be made to all eligible farmers who can meet the requirements by giving a first lien on 1942 crops financed. The 1942 crop production loans will mature August 31, 1942, and will bear interest at the rate of 4 percent from date of disbursement.

SPORT NOTES

Bystander

Saint Mary's Cardinals applied the pressure last Thursday to beat Page 23 to 22. Page has had a good basketball team this year as they showed in the Holt County Tournament when it took O'Neill High School an extra period to beat Page 25 to 24 after Page had lead during the entire game. But the Cardinals were out to win and they did and were in the lead for just about the entire game. The Cardinals were never seriously threatened except once and then they put on the pressure and again assumed the lead. The way the Cardinals played Page Thursday it looks like Saint Mary's wants to win a few games now and if they keep up their fine playing they are going to be a threat to any team.

O'Neill High School and Saint Mary's have a pretty big schedule this week. O'Neill plays Creighton here tomorrow night and then they play Bloomfield here January 27. Saint Mary's will play Butte tomorrow night here and Sunday January 25 Saint Mary's will journey to Atkinson when they will play the Saint Joseph Quintet.

So far this year O'Neill High School is undefeated but they will meet a strong team from Creighton tomorrow night. When O'Neill plays Bloomfield here they are going to play another good team and they will have to play good ball this week to remain undefeated.

Saint Mary's meets Butte tomorrow night and the Butte Quintet is undefeated in Nebraska play, although they were defeated by a South Dakota team. But Butte has one of the best teams around here and you can be assured that the Saint Mary's team will put up a good fight.

Sunday Saint Mary's will play Saint Joseph of Atkinson and this is bound to be a very good game. So far this season the teams have met each other twice, Saint Joseph winning the first one and Saint Mary's beating them during the Holt County Tournament.

So you basketball fans can be yelling a lot this week for your respective teams to win their games. Here is the way I pick the games:

Friday, January 23, O'Neill to beat Creighton here.

Friday, January 23, Butte to beat Saint Mary's there.

Sunday, January 25, Saint Mary's to beat Saint Joe (Atkinson) there.

Tuesday, January 25 O'Neill to beat Bloomfield here.

See you next week.
The Saint Mary's Cardinals hung up another victory Tuesday night when they beat a strong Plainview team 19 to 17. Plainview had won their last four games but the Cardinals played good ball and with only about five seconds left to play Paul Kubitcheck made a basket from the

Students Of High School Gives Operetta Next Week

"Sunny of Sunnyside" is a loveable little orphan girl, a favorite of all the orphans at the Sunnyside Home.

Her exciting experiences with her playmates, settling their disputes, comforting them in their sorrows and disappointments and her successful escape from a kidnapper, complete the cycle of her stirring adventures in Sunnyside.

Come see the colorful dances, hear the chorus and listen to the primary rhythm band on Friday, January 30, at 8 p. m. Admission grade and high school 10c, adults 15c tax included.

O'Neill High Basketball Trims Neligh High

O'Neill's high-flying Eagles defeated a tall Neligh team on the Warriors floor, 17-13, on Friday evening, January 16.

The local five started the first quarter using the fast break offense, but the opponents height and a small floor prevented its success.

The warriors led at the half, 9-7, but by the end of the third quarter the Eagles were out in front. The last period produced a smooth passing five, with Coach Dean alternating his team to keep the attack going.

Passing into set-ups, the team stayed out in front to win, 17-13. Harold Calkins was captain.

O'Neill's starting line-up was as follows:

Forwards—Burgess, Manzer
Guards—Calkins, McKenna
Center—Lewis

The Eagles next game is this Friday night in the O'Neill High School Auditorium with the Creighton High School.

Dr. and Mrs. Ira Gorge returned Sunday from Chicago, Ill., where Mr. Gorge attended the Band Leaders Clinic at Northwestern University.

middle of the floor that spelled victory for the Cardinals. Kubitcheck was high point man with seven points.

It was a very good game and the spectators enjoyed it a lot, although it looked for a while like the Plainview boy's might win the game.

Tomorrow night the Cardinals will travel in a special bus to Butte where they will play Butte High school who have a very good team with their star player Atkins. So far this season Butte has lost only two games, one to a South Dakota team and Tuesday they lost to Niobrara 33 to 28. Atkins didn't get to play and if he does play the Saint Mary's game will really be a good one.

Arthur Burge

Arthur Burge passed away at the Stuart hospital last Friday morning at 4 a. m., after an illness of about two years, of a heart ailment, at the age of 52 years, six months and twenty-seven days. The body was brought to this city and the funeral was held from the Presbyterian church last Sunday afternoon at 2 o'clock Rev. Dr. Spencer officiating and burial in Prospect Hill cemetery.

Arthur W. Burge was born at Ainsworth, Nebraska, on July 19, 1889. In the spring of 1893 he came to this county. On November 24, 1909, he was united in marriage to Miss Bessie J. Brittell, the ceremony being performed at Neligh, Nebraska. Eight children were born to this union, seven of whom with their mother are left to mourn the passing of a kind and affectionate husband and father. The children are: Harold, at home; Clyde, Amelia; Floyd, Lincoln; Clayton, in the army; Glenn, Dean and June at home. He is also survived by one sister, Mrs. Ethel Wessel, Omaha and four brothers, Ralph and Walter, Omaha; Lawrence, Orchard and Ed Burge, O'Neill.

Arthur Burge had been a resident of this county for about forty-seven years and was recognized as one of the county's most industrious and thriftest farmers. He had been in bad health for the past two years and since that time made a trip to Rochester for a check up on his condition. Since his return from there he had been in a hospital several times and for the past several months has been unable to do any work, although last summer, after spending a couple of months in a hospital, he felt fine for a time and was of the opinion he was on the road to recovery. But his last illness had so weakened his heart that it finally gave out. He was a good citizen and had a host of friends in this city and county, as he was generally well known. The sorrowing relatives have the sympathy of the community in their hour of sorrow.

Livestock Receipts Heavy And Prices Good

Livestock receipts were again quite heavy for so late in the season as many stockmen took advantage of the fine weather conditions and prevailing good prices. The market undertone held firm and prices ruled steady with a week ago.

The best steer calves reached \$13.00 with \$11.50 to \$12.50 catching the long end of the offering. Heifer calves topped at \$11.60 but the bulk placed mostly from \$10.00 to \$11.00. A good supply of calves showed up.

Yearling steers were not too plentiful and cashed mostly from \$10.50 to \$11.50. Heifers in this class brought from \$9.50 to \$10.50. In the cow division receipts were heavy with the best kind reaching upwards to \$8.50 or better, but the nominal price was \$7.00 to \$8.00. Bulls sold from \$8.75 to \$9.25.

The hog run was again heavy and prices were strong. Light weight butchers went at \$11.05 with the bulk moving at \$10.95 to \$11.00. Sows sold at \$9.60 to \$9.85. Smooth, fancy quality, light weight shoats paid \$13.90 with those of less quality selling from \$11.25 to \$12.30. A lot of small pigs were here and sold by the head at good prices.

A few sheep completed the regular sale.

Marvin Clause donated the receipts of 2 bushel of seed corn to the American Red Cross. The corn was sold at auction last Monday and a total of \$9.75 was collected. Mr. Clause has donated the entire sum to the local Red Cross Chapter to be used by that organization in the war emergency. This donation is a generous gesture on Mr. Clause's part and deserves praise and recognition in the community.

Next Monday, a beautiful hand made quilt donated by a neighborhood group of ladies will be sold for the Red Cross. All contributions will go to the local Chapter. Such donations deserve the support of our citizens.

Mr. and Mrs. Victor Halva entertained three tables of pinocle at their home Sunday evening. Mrs. John Schmidt and Bill Bruggman received high scores, Dave Loy traveling and Mr. and Mrs. Herbert Russ low. A delicious lunch was served at midnight and a grand time was had by all.

A Letter From A Boy In The Service

To the folks of O'Neill and Holt County.

Its been along time to me since I've dropped my home news-paper a line, but really its only been a little over five months.

The last letter I wrote, I believe was when at Fort Monmouth, New Jersey. Since that I've finished my training as a telotype operator and have been sent to Port Angeles, Washington, not as an operator of a telotype machine but as an officer in a Filter Center.

More than likely most of you folks do not understand the action of a filter center or a Filter Board. Its a large map like table, made like a map of the country, in which we are in charge. We have observers at different posts through-out sections of the country which the board covers, and these people at these posts call in the minute they see or hear a airplane and inform us of the kind, position, how flying and what direction their flying in. The men on the Filter Board places arrows on the map which tells the correct position of the planes, the kind and direction traveling, and also if their friendly or enemy.

Most of the time we have Volunteer Women doing the work on the Filter Board, due to the shortage of trained army men. They work on shifts of six hours each, and the room is in action 24 hours a day.

The work here is very interesting and the people in Port Angeles are very pleasant, friendly and they know the score too.

Port Angeles has the proud name of being the closest city to Japan in the U. S. A., and don't think that their not ready for them, and I'll bet there isn't a family in the whole city of Port Angeles thats not prepared and willing to do their part in every possible way.

Well folks of the City of O'Neill, I hope the best for the coming year to each and every one of you.

Yours Truly,
Gaskill, Robert F.
(Just doing my bit.)

Project Club Members To Receive Instructions

Leaders from 24 women's project clubs will receive instruction at the training centers in O'Neill, Chambers and Stuart this week. Miss Maude Mathews, home demonstration agent will give the training which will include handy methods of first aid and home nursing. 345 members of Holt County project clubs will receive training.

Mrs. Joseph Fernholz

Mrs. Joseph Fernholz passed away last Monday afternoon about 12:30 at the O'Neill hospital, after an illness of one week, following a stroke, suffered on Sunday evening, January 11. The funeral was held this morning at 9:30 from St. Patrick's church, Monsignor McNamara officiating and burial in Calvary cemetery.

Bernardina Tressa Hesse was born at Hartington, Nebraska, on June 12, 1891. She lived in Cedar county for many years and on January 30, 1911, she was united in marriage to Joseph Fernholz, the ceremony being performed at Bow Valley, Nebraska. Eight children were born of this union, six sons and two daughters. The children are: Albert, Portland, Oregon; Mrs. Dorothy Brown, Chambers, Nebraska; Raymond, O'Neill; William, Hammit, S. D.; Mrs. Lucy Marcellus, Los Angeles, California; George, Portland, Ore.; Norbert and John at home. All of the children were present at the funeral, except Albert, who is on an oil tanker and could not be reached. She is also survived by six brothers and five sisters, nearly all of who were present at the funeral.

Mr. and Mrs. Fernholz came to this county in 1925 from Cedar county and since that time had been a resident of the county. For many years they were residents of Emmet township, until a few years ago when they moved to this city. She was a charming woman and had a host of friends in this city and vicinity, who will regret to learn of her passing in the very prime of life.

The many O'Neill friends of the family tender their condolences to the bereaved family and relatives in their hour of sorrow.

Test Your Seed

The Nebraska Seed Law requires that all seed sold or offered within the state must be tested and tagged with the analysis. Besides the percentage of germinations and purity, other information about the seed must be shown such as kind and variety, origin, date the germination was made, and the number of noxious weed seeds present if any.

These seed tests made, may be obtained through the county agent's office in O'Neill, free of charge if a representative sample is furnished. Farmers wishing to obtain tests on seeds for spring planting are urged to bring in the sample early. Several days are required for a germination test and time will be saved by avoiding the spring rush.

The Catholic Daughters held a social meeting at the tea room Tuesday evening. Auction bridge was played and there were fifty-two members present. Mrs. Merle Hickey won high score, Mrs. John Melvin traveling and Mrs. Henry Bauman low. The hostesses were: Mrs. G. C. DeBacker, Mrs. Norb Uhl, Mrs. M. J. Wallace, Mrs. Chas. Mullen, Mrs. Bart Hickey, Mrs. Bohn, Mrs. Ed Flood and Mrs. H. M. VonDollen.

A group of relatives had a surprise party for John Sullivan Saturday night, the occasion being Mr. Sullivan's sixty-ninth birthday. A lovely 7 o'clock dinner was served at the home of Mr. and Mrs. Tom Sullivan and the evening was enjoyed socially.

Mr. and Mrs. Irvin Simonson entertained the Farmers Union members and their families at a party at their home Saturday evening. Cards were played and high prize was won by Anita Murphy and Calmer Simonson. Low by Donna Whaley and Carl Widtfeldt. The hostess served a delicious lunch followed by a meeting of the members. They elected Walter Brennan and Ivan Simonson as delegates to attend the meeting in Omaha in February.

Miss Eileen Davidson left this morning for Los Angeles, Cal., after spending since Sunday here with her parents, Mr. and Mrs. James Davidson.

CARD OF THANKS

We desire to express our sincere thanks and appreciation to the many kind friends and neighbors who helped in so many ways, or expressed sympathy, during the illness and following the death of our beloved husband and father, and for the many beautiful floral offerings. Your kindness will ever be held in grateful remembrance.
