First Publication, February 5, 1942 NOTICE OF REFEREE'S SALE Notice is hereby given that by virtue of an order of sale issued by the District Court of Holt County, Nebraska, in an action pending in said court wherein Mabel H. Gatz is plaintiff, and Clinton J. Gatz, and others are defendants, this being case No. 13822, directing me as referee to sell the following described real estate, to-wit: Commencing at a point 2 1/2 inches west of the southwest corner of Lot 26 in Block 16 of the Original Town of O'Neill; thence north 170 feet; thence east 21 1/2 inches; thence south 75 feet; thence east 27 feet and 9 1/2 inches; thence south 95 feet; thence west 29 feet and 7 inches to the place of beginning, and Lot 25 in Block 16 of the Original Town of O'Neill, except a strip of land 2 1/2 inches wide on the east side of said Lot 25, and Lot 11 in Block 21 of the Original Town of O'Neill, all of the aforesaid being situated in the City of O'Neill, Holt County, Nebraska, I will sell said real estate at public auction on the 9th day of March, A. D., 1942, at 10:00 A. M. of said day at the front door of the courthouse in O'Neill, Nebraska. Terms of sale, 15 percent cash on day of sale, balance on confirmation. WILLIAM W. GRIFFIN Sole Referee 39-5

First Publication Feb. 12, 1942 NOTICE WHEREAS, Thomas Clinton, convicted in Holt County, on the 10th day of February, of the crime of February, 1941, has made application to the Board of Pardons for Parole, and the Board of Pardons, pursuant to law have set the hour of 9 A. M., on the 11th day of March, 1942, for hearing on said application, all persons interested are hereby notified that they may appear at the State Penitentiary, at Lincoln, Nebraska, on said day and hour and show cause, if any there be, why said application should, or should not be granted. FRANK MARSH, Secretary, Board of Pardons. RICHARD C. MEISSNER, Chief State Probation Officer.

In National Capitol Saturday evening, January 17, there was held another delightful meeting of the O'Neill Club of Washington D. C., at the West-shelter Hotel. The meeting, was the annual get-together of the "Irish," and in addition was held to honor one of O'Neill's most distinguished former residents, namely, Mrs. Arthur F. Mullen of Omaha. The affair was opened by the members and their friends partaking of a very fine dinner, served in the spacious hotel dining room. Afterwards, all repaired to the hotel suite of Mr. and Mrs. James H. Hanley, where the able Club President, Marguerite Doyle called upon "Jim" Hanley to introduce the guest of the evening, Mrs. Mullen. She responded by giving a very interesting talk upon the early days in and around O'Neill, being followed by another fine speaker Mary McGee, who paid a glowing tribute to the early settlers around that point. The able attorney George M. Harrington was next, and needless to state, "George" had the crowd rapt and individual attention throughout. Most interesting was his short resume of the life of the late Arthur Mullen, telling of his efforts in behalf of the people of O'Neill and of Nebraska as well. Later, refreshments were again served by genial "Jim" and his good wife, and many were the stories that was told of and by the O'Neill folks. The gathering broke up at a late hour, all declaring this meeting the best in years. Present and enjoying the evenings association and entertainment, were the following: Mrs. Arthur F. Mullen, Mr. and Mrs. James H. Hanley, George Harrington, Marguerite Doyle, Mrs. John Ward, Mrs. Margaret Mulcahy, Donald Dolan, Mr. and Mrs. John J. Harrington, Maxine Harrington, Edward Quinn, William Miller, Alpha Martins, Mrs. James Ward, Mrs. Edward L. Koenig, Mary McGee, Grace Campbell, Dr. and Mrs. Wm. P. Hynes, Robert Hynes, Helen Martin, Margaret McElliott, Lora Power.

Club Organization Started For 1942 Several groups have started the 1942 4-H club year off with a running start with added emphasis placed on the food for Victory drive. This year as never before 4-H clubs are going to be asked to assume a major part in the production of food for the National Emergency. Among the new clubs organized are the Prairie Pals of Inman with sixteen members and J. F. Pojar as leader. The Sand Creek Ranchers, North of Atkinson led by George Bonsteel and the Dust-in Cheerful Cannery led by Miss Maude Mellor. Several more clubs will be organized in the near future.

4-H club work in Holt County is available free to any community that can enroll five members between the ages of ten and twenty years. Younger boys and girls from eight to ten years are urged to become associate members in their local clubs. Each club elects a local adult leader to act as an advisor for their activities during the year. These leaders work closely with County Agent Lyndle Stout who is in charge of all 4-H work in the county. 4-H club work has been established in Holt County for several years. Many clubs and individuals have accomplished some fine work and received some high honors but as yet there are a few communities which have not taken advantage of this valuable training in food production and citizenship which is offered to the boys and girls by a 4-H club. An effort is being made to organize 4-H clubs earlier than usual this year in order to plan for the exceptionally busy year ahead. New groups, as well as clubs which wish to reorganize are asked to notify the County Agent's office in O'Neill in order that assistance may be given with a minimum amount of driving. Clubs organizing at an early date will have an opportunity to complete some of the requirements before the busy spring work starts.

The J. P. Gallagher Store Getting New Dress. The J. P. Gallagher store is undergoing renovation. A new floor has been put in, new shelves will be installed, it will be repapered and repainted and otherwise made modernistic. About thirty feet will be petitioned off on the rear for a store room, which will make it much more compact. Miss Meer, the manager, figures she will have a neat, tidy and compact up-to-the minute store when repairs are completed, and we believe she will.

Degree At Nebraska U. Doris Carolyn Patterson from Emmet received a Bachelor of Science degree in Education from Teachers College at the University of Nebraska at the close of the first semester. The University of Nebraska granted 171 degrees and nine certificates at the close of the first semester including 21 master's and five doctor's degrees. The College of Arts and Sciences granted 39 degrees. Figures for the other colleges are Agriculture 28, Engineering 22, Teachers 22, Business Administration 22, Law 11 and Pharmacy 1.

For Car Owners Parts Will Be Available Most of us have been concerned for over two months in matters pertaining to our cars. Fred Harper of the American Gear Co., of O'Neill has heard from the of their suppliers the facts relating to the parts business as told by one of the so called experts in the automotive replacement field. As far as the industry can tell at present there will be a fair amount of repairs available throughout 1942 and 1943. Naturally all replacement items made from raw materials that are used in war time, are taking a longer time to get, and may become more scarce. The thing that may confront us soon is that due to an increase in the repair business due to all of us driving our cars longer, the demand may be greater than the supply. So it will be wise for these car owners who know that certain work will soon have to be done, to get it fixed now. They should make arrangements with their independent garage or car dealer as to when the work can be done and while the parts are still fairly plentiful have their car fixed. This has been already realized by many drivers as most of the repair shops throughout this territory have been going full blast for some time.

High School Declamatory Contest Seniors Win Chance to Enter District Declamatory Contest. Seniors dominated the Home Declamatory contest held at the O'Neill High Auditorium last Tuesday night by winning all of the first places. Keith Vincent took top honors in Dramatic Reading; Betty Williams won the Oratory division; and Patricia Schaffer placed first in the humorous Reading. Mrs. Jeanette Copes, director of dramatics at Page, acted as judge for the contest. She complimented the fourteen entrants by saying, "Every reading was very good."

Additional Filings For Fall Campaign The following have filed for office during the past week: Esther Cole Harris, for re-election to the office of register of deeds, on the republican ticket; William Lloyd Brady of Dorsey, filed on February 6, as a candidate for nomination to the unicameral legislature from this the Twenty-eighth Senatorial district, now represented by Senator Asimus, who has filed for re-election. Mr. Brady makes the third candidate to file for this office, Stanley Soukup having filed a couple of months ago.

NOTICE Dr. A. E. Gadbois, eye, ear, and nose specialist, will make his regular visit at Dr. Carter's Office in O'Neill on Friday, February 20, 1942 Glasses Fitted

One of the largest meetings of the commercial Club, since winter started, was held Monday evening. Many things of moment to the community was discussed and committees authorized to look after the coming tournaments, including the music contest in April. The club voted to be host to the members of the O'Neill High and St. Mary's Basketball teams and their coaches at a dinner to be held later, when it would not interfere with the district or state Tournaments. Mrs. F. J. Kubitschek entertained the Contract Club at 7:00 o'clock dinner at a local cafe and cards at her home, last Thursday evening. High scores were won by Mrs. J. P. Brown and Mrs. Ed Gallagher. Darel Bright of Wayne spent the week-end with his parents Mr. and Mrs. R. H. Bright. Mr. and Mrs. W. J. Froelich took some of St. Mary's Basketball boys to Spalding Sunday.

Mr. and Mrs. W. J. Froelich took some of St. Mary's Basketball boys to Spalding Sunday.

★ OPPORTUNITY FOR MEN 18 TO 50 ★ WORK FOR DEFENSE ★ ★ ★ ★ You Can Be an AIRCRAFT INSTALLATION MECHANIC AT BIG PAY! Here We Come! Men are needed now for aircraft construction. Thousands upon thousands of trained men must be made available to build the 60,000 planes our President wants in 1942... the 125,000 he asks for 1943. You can be one of those highly paid workers if you're properly trained. Take the first step today to get in on the BIG WAGES offered by aircraft factories to men who are trained as installation mechanics. WE TRAIN YOU in a FEW WEEKS Low Tuition Cost Few Weeks' Training at Morton Aircraft Corporation prepares you for aircraft construction. If you can meet the qualifications for enrollment at Morton Aircraft Corporation, you can begin your training right away. We train you as a skilled AIRCRAFT INSTALLATION MECHANIC by simple, easy course as outlined by leading aircraft plants. Instruction is practical... you operate machines that are of the same type as used by aircraft factories. More than \$50,000 worth of equipment and machinery installed for your training. Only School in This Territory offering this type of training. We have discontinued simple sheetmetal hand forming and riveting courses on receipt of letter from director of well-known aircraft factory. He wrote us: "We will... employ very, very few riveters and sheet metal workers. More than any other type of workman, we will need skilled installation mechanics..." That's the course we're teaching! Don't Waste Your Money! Remember Morton Aircraft Corporation is one of the largest aircraft schools in the Middle West, and was originally "tooled" for production of commercial planes. It is equipped with well over \$50,000 worth of equipment and machinery, covering more than 25,000 square feet of floor space. This factory school has the outstanding record of 1083 graduates now working in 30 major aircraft factories and defense plants from coast to coast. Find out about Morton's proven simple method of training. Prepare yourself now for a permanent job. Visit the office of your newspaper today for details of Morton's LOW-COST training. YOUR NEWSPAPER WILL ACCEPT APPLICATION Due to the shortage of skilled Installation Mechanics and to bring this opportunity to as many as possible your newspaper has been authorized to act as "Recruiting Station" for us. Visit your local newspaper today and get all information. Learn Now If You Can Qualify For Training At MORTON AIRCRAFT CORP. APPLY FOR PERSONAL INTERVIEW AT OFFICE OF THE FRONTIER, O'NEILL

Electrifying Entertainment THE MOVIES WERE BORN OF ELECTRICITY! NINETY-FIVE years ago, February 11, an occasion of great importance to the world took place—Thomas A. Edison was born. In not many years Mr. Edison had started experiments and inventions which were destined to change the course of modern life. Just one of many benefits we have today, thanks to Mr. Edison's genius, is the motion picture projector and related equipment... Without electricity, and electrically-powered light and sound waves, it is doubtful if the world today would have the pleasure, education, and entertainment made possible by the motion picture. And so to say, "The movies were born of electricity" is no exaggeration. Hence, upon the birth-week of Thomas A. Edison, your own state-wide electric system—Consumers Public Power District—takes occasion to salute the motion picture industry in its many phases. Consumers is delighted to have this opportunity to serve vast numbers of Nebraskans each week through the medium of motion pictures—another form of the American Way of Life to which electricity makes basic and essential contributions.
