Ten per cent of your income in War Bonds will help to build the planes and tanks that will insure defeat of Hitler and his Axis partners.

The above map of Nebraska shows the War Bond quotas, by counties, for the month of July, 1942. Total War Bond quota for the state is \$7,235,000. With the National quota total placed at a billion dollars, the nation goes into high gear in its support of the War financing and to give our fighting forces adequate implements of war which will bring ultimate Victory. American Soldiers, Sailors, Marines and Airmen are on every front. They are giving 100 percent for their country. What are we doing here on the home front? Are we lending at least ten percent of income to help them? It's very little. But to fight this war successfully our country needs a billion dollars in War Bonds every month from us—the People. Let's Go, America.

Livestock Prices Remain Stable, Heavier Receipts

Demand was keen on all classes of livestock at the local auction last Monday, as buyers absorbed the increased receipts of livestock at fully steady prices. Action was brisk throughout the sale. Quality was mostly medium to good. One load of steer calves brot \$13.10 but the bulk of supplies priced at \$11.75 to \$12.75. Heifer calves rated as high as \$12.00 on the best kind. Top yearling steers cashed at \$12.10 with \$11.00 to \$12.00 catching the bulk of supplies. One load of heifer yearlings paid \$11.35. The best of the beef cows reached \$9.85 which price is somewhat higher than last week. However, the bulk of supplies placed between \$8.00 and \$9.00 which is about steady with a week ago. Plainer grades sold in the sevens. Bulls topped at \$10.30 with the long end making \$10.00 to \$10.15. Hog receipts were heavy again last Monday. A few extra choice butchers reached \$14.00, but the bulk of the days run sold at \$13.80 to \$13.90. Sows topped at \$13.75. Feeders paid as high as \$15.70. Little pigs sold at the head at very favorable prices. A few horses and sheep completed the days sale. Due to the increasing livestock receipts each week, the local livestock auction management suggests that those consignors who can arrange to do so get their hogs to the salesyard as early as possible, before 10 A. M., on sale day. Beginning a week from Monday, July 13, they hope to be able to start the hog auction at 11:00 A. M., and thus speed up the clearance of livestock. Your cooperation will be greatly appreciated in this matter.
