Voters of Holt County

(Political Advertisement) A candidate for Congress on the Republican ticket, A. L. Miller has visited many of the towners in the District. His platform includes winning the war decisively and with as little loss as possible. He believes that, after the war, our soldiers should be brought home from foreign lands to live under an honorable and lasting peace. An editorial in the Kimball Observer states: "This editor believes that in Dr. Miller we have a successful businessman, an able executive combined with a personal knowledge of farm and stock problems, being an owner of both, together with a sincere interest in furthering the development of his State and District. It is most imperative that we have an honest, fearless man representing us in Washington. The work to be done requires far-sightedness, strength of character and a personal knowledge of our problems in this State. For this reason we endorse A. L. Miller to the voters of the Fourth Congressional District as your next representative in Washington." (V. B. Cargill.)

Official U. S. Treasury War Bond Quotas for August

Washington, D. C., August 5.—While maintaining a tentative annual level of twelve billion dollars as its goal, the Treasury Department today fixed the August quota for the sale of War Bonds at \$815,000,000 as shown by the accompanying map by states. In lowering the quota from a billion dollars in July to \$815,000,000 in August, the Treasury has given recognition to certain factors which may be expected to result in variations in sales over the 12-month period, such as the seasonal character of farm income.

These factors have been taken into account in determining each state's share for the national quota for August and will be given consideration in fixing quotas for subsequent months. In addition to the state quotas as set out in the map there is a federal payroll allotment quota of \$9,750,000 and territorial quotas as follows: Alaska, \$760,000; Canal Zone, \$213,000; Hawaii, \$4,800,000; Puerto Rico, \$440,000, and the Virgin Islands, \$17,000.

VOTE FOR "Tony" Asimus Non-Political Candidate for Re-Election for NEBRASKA UNICAMERAL LEGISLATURE 28th District HOLT, BOYD, KEYA PAHA, AND ROCK COUNTIES Your Support Appreciated...

A VOTE FOR Guy V. Doran FOR Congress Is a Vote to Support President Roosevelt In his conduct of the war and the securing of a just and lasting peace. I AM NOT A "KNOW IT ALL", but ... Twenty-one years of study and comment on local, national and world affairs as editor and publisher of Western Nebraska's oldest newspaper, coupled with a wide and successful experience in investments and farming in Cheyenne county, qualify me to know the problems of this district and to efficiently work for legislation beneficial to the district. I am not conceited enough, however, to think I know more about national and international affairs than does President Roosevelt, and, if elected, I promise to follow his lead in all such matters. Your support will be appreciated. GUY V. DORAN

A NEW FUTURE... With VICTORY, Nebraska looks to New Horizons, a NEW FUTURE. Agriculture is Nebraska's Biggest Business. As it prospers, so prosper all of us. Chemists are pointing the way to new uses for farm products. Grain alcohol-synthetic rubber plants should be built promptly in Nebraska. Congressman Harry B. Coffee was the first to urge this on Congress last January. Some of Coffee's other effective efforts in behalf of Nebraska Agriculture: sponsored the 85% Parity Loan Program; author present Federal Seed Labeling Act; sponsored legislation authorizing disposal of surplus Agricultural products through Relief channels ... this resulted in the Food Stamp Plan. He will continue to fight to preserve the American Market for the American Producer. He supported every measure designed to protect our National Security—but opposed all measures he felt would involve us in war. HARRY B. COFFEE Democrat, of Chadron UNITED STATES SENATOR

To the Democratic Voters of Holt County, Nebraska Having filed as a candidate for the office of County Assessor, I would appreciate your support at the coming Primary on the 11th day of August, 1942. Respectfully yours, JOHN ALFS

FAY A. PUCKETT Democratic Candidate for County Treasurer in the August 11th Primaries I expect to do little, if any, "campaigning," aside from what appears in the papers. Fifty years ago this fall, when I was one year old, my parents moved into this county. With the exception of parts of a few years when I reached my majority, it has been my home since. I have earned a living by farming and livestock—I know how hard tax dollars come—whether I am chosen or not, I expect to keep my interest in honest, efficient economy in the spending of the peoples' money. Your support will be appreciated.

CHARLES J. WARNER for GOVERNOR 20 years state senator. First speaker unicameral—noted for fair impartial rulings. Sponsored Pay-as-you-go plan. Nebraska needs aggressive leadership to utilize agricultural surpluses for synthetic rubber. Republican Candidate
