Help Support PUBLIC SCHOOLS

Consumers Public Power District pays into the tax bills of state, counties, school districts and municipalities MORE THAN A THIRD OF A MILLION DOLLARS every year. These amounts are described in the Nebraska law which created Consumers, as "payments in lieu of taxes."

Consumers annual tax payments total approximately \$375,666.66. These tax payments are made in 61 of Nebraska's 89 counties.

While all tax-supported functions of the state, the various counties and cities in which Consumers has property, and school districts benefit by these payments — **THE PUBLIC SCHOOLS RECEIVE THE GREATEST PROPORTIONATE SHARE—nearly half!**—of Consumers annual tax payments!
