Livestock Prices Steady; Market Undertone Firm

Livestock receipts were fairly heavy here on Monday and prices were fully steady with a week ago. All buyers were intent on getting their feed lots stocked with cattle prior to the deadline on the government gas rationing program. Cattle supplies here were absorbed readily and the market undertone was firm.

Lightweight steer calves topped at \$14.60 with the long end going at \$13.25 to \$14.50. Heifers ranged mostly from \$12.25 to \$13.50 with a few reaching higher.

Yearlings looked nominally steady with a top of \$13.50 paid for steers. The bulk of supplies cashed at \$12.25 to \$13.25. Heifers in the yearling class bulked at \$11.50 to \$12.50.

Cow supplies were heavy and the price trends in this were stronger, especially on the better grades. The best beef cows made \$11.75 with a considerable number selling from \$10.00 to \$11.25. Others, carrying less flesh, placed in the upper nine. Heiferettes scaling 1180 pounds made \$12.70, that price being paid sparingly.

Bulls with weight cashed from \$10.80 to \$11.00. The demand for milk cows was good and these sold by the head at fancy prices. Heavyweight butchers sold from \$13.15 to \$13.25 with lights dropping another nickel. Sows made \$13.00 to \$13.05. Feeders ranged in price from \$13.75 to \$15.20. A large number of little pigs sold by the head at good prices.

Sheep receipts were light. Lambs topped at \$11.10. Next regular auction on Monday, November 23.

A "16 CYLINDER" LAYING MASH... AT A "6 CYLINDER" PRICE

That's what you get when you buy Shamrock "16 Cylinder" Laying Mash. It's called a "16 cylinder laying mash" because it is supercharged with 16 vitamins and trace minerals supplied by a special ingredient made by Shamrock's affiliated laboratory. And it sells at a "six cylinder" price because there's no long distance shipping, warehouse costs, etc., to pay on this feed.

Everybody knows hens need lots of vitamins and trace minerals. So it stands to reason health and egg laying can't be good if the egg mash is low in these vital elements. Just try SHAMROCK "16 Cylinder" Laying Mash. It is not expensive and has lots of pushing-power. See what its rich amounts of 16 vitamins and trace minerals will do for your layers.
