

**Again in 1942!**  
**STORZ BEER IS**  
**NEBRASKA'S**  
**FAVORITE**  
**By Over 2 to 1**

FOLKS LOVE THAT STORZ FLAVOR

STORZ NEVER CUTS CORNERS—THEY USE THE BEST MATERIALS AND BEST BREWING METHODS

STORZ REALLY KNOWS HOW—THE STORZ FAMILY HAS BEEN BREWING CHAMPION BEER SINCE 1876

**Quality Scores Again for Storz**

Another year ends with Storz way out in the lead—over 2 to 1 favorite in Nebraska by the official records. That means just one thing, Nebraskans like that extra quality and "know how" that goes into Storz. Storz has been brewing fine beer for a good many years. Long ago we learned there is no short cut to quality. Storz uses the best of grain—no substitutes, premium hops, the old, proven brewing methods made better by the most modern equipment and science. This all adds up to a fine, slow-aged flavor folks like so well that Storz leads in sales, by more than 2 to 1, year after year. When you buy, ask for Storz, the beer everybody likes.
